

CONFLICT OF LAWS

Intellectual Property

Introduction

- Cases of infringement of intellectual property (IP) rights are being committed beyond the territory of registration.
- The Internet and the World Wide Web (WWW) have made IP protection a complicated process since violation can occur in cyberspace which can happen in different places at the same time.
- Since Cyberspace transcends national boundaries, the laws of different states may find application in settling disputes relating to IP

Cross-Border Infringement of Personality Rights via the Internet Symeon C. Symeonides, 2021-01-11 Conflicts of laws arising from injuries to rights of personality such as defamation or invasion of privacy have always been difficult if only because they implicate conflicting societal values about the rights of freedom of speech and access to information on the one hand and protection of reputation and privacy on the other hand The ubiquity of the internet has dramatically increased the frequency and intensity of these conflicts This book explores the ways in which various Western countries have addressed these conflicts but also advances new practical ideas about how these conflicts should be resolved These ideas are part of an international model law unanimously adopted by a Resolution of the Institut de droit international which addresses jurisdiction choice of law and recognition and enforcement of foreign judgments The book provides extensive article by article commentary which explains the philosophy and intended operation of the Resolution **Australian Intellectual Property Law** Mark Davison, Ann Monotti, Leanne Wiseman, 2016 Updated to include recent important developments in Australian intellectual property law this is an essential text for students and professionals *The Law of Electronic Commerce and the Internet in the UK and Ireland* Steve Hedley, 2017-09-29 Internet law and electronic commerce law are new entities and as such there is some difficulty in defining this rapidly changing area of the law Scholars are divided as to whether it is a subject in its own right or part of a broader area and there is also debate concerning its status as a new law or as old law which needs interpreting in a new way This text helps the student to unravel this complicated area of law and provides guidance through the wealth of literature available on the topic The text is for law students coming towards the end of their first degree or taking a Masters The first half focuses on the principles of electronic commerce law and includes an introduction to the law of the Internet basic concepts in intellectual property law privacy law and data protection The second part deals with rights and duties in the online world including liabilities ownership and contracts Technical operations are explained in the text as necessary and a glossary provides a guide to the more commonly encountered computer

technicalities With a supporting website providing links to online further reading this textbook is ideal for students of e commerce law and will provide those studying information technology law or practising commercial law with an indispensable introduction to Internet issues Regulatory Insights on Artificial Intelligence Findlay, Mark, Ford, Jolyon, Seah, Josephine, Thampapillai, Dilan, 2022-06-10 This provocative book investigates the relationship between law and artificial intelligence AI governance and the need for new and innovative approaches to regulating AI and big data in ways that go beyond market concerns alone and look to sustainability and social good **Commercial Dispute Resolution in China** Beijing Arbitration Commission, Beijing International Arbitration Center, 2022-11-14 In 2021 the COVID 19 pandemic continued to affect economic development In addition due to the changing global situation international competition was increasingly fierce Under the circumstances of major changes and a pandemic unseen in a century commercial dispute resolution in China is confronting new challenges facing new changes and ushering in new developments In the field of commercial arbitration the promulgation of the Arbitration Law Revision Draft for Comment brought about many reforms to China's current arbitration system aroused widespread attention and discussion in the industry and boosted arbitration research and the arbitration legal system to new levels Arbitration institutions including the Beijing Arbitration Commission Beijing International Arbitration Center hereinafter referred to as the BAC BIAAC have duly issued new rules according to the needs of case handling and pandemic prevention and control in order to guide new arbitration practices and the highlights of China's judicial supervision and opening up of arbitration are eye catching In the field of commercial mediation the Supreme People's Court has continuously promoted the development of a one stop diversified dispute resolution system to support international commercial mediation organizations in providing mediation services in free trade zones the Shenzhen Intermediate People's Court has innovatively introduced third party mediation organizations to participate in bankruptcy reconciliation and practices in coordination between arbitration and mediation have been constantly enriched Commercial mediation is playing an increasingly important role in alternative dispute resolution in China In key professional fields while actively responding to the impacts of the pandemic and focusing upon the resumption of work and production legal construction and dispute resolution have also been developing *Research Handbook on Intellectual Property Rights and Arbitration* Simon Klopschinski, Mary-Rose McGuire, 2024-05-02 The Research Handbook on Intellectual Property Rights and Arbitration explores the complementary relationship between state court adjudication and arbitral proceedings in the context of intellectual property rights Presenting contemporary research and insight into the scholarly debates on the topic it provides a comprehensive overview of arbitrating intellectual property disputes on an international scale **The Subtle Logics of Knowledge Conflicts in China's Foreign Enterprises** Constanze Wang, 2016-05-04 This book investigates knowledge interactions in China's foreign enterprises It reveals that cultural differences strongly account for knowledge related obstacles namely knowledge leakage and insufficient knowledge sharing Contrary to conventional wisdom however

widespread cultural arguments such as Confucianism or collectivism hardly apply to Chinese employees handling of knowledge In fact more subtle cultural logics are relevant in daily work which are connected to the perceived stability of the enterprise itself But these usually go unnoticed Thus rather than being distracted by a national Chinese culture managers can take real action to solve knowledge conflicts in their particular enterprise
