Ernst M. Conradie, Cynthia Moe-Lobeda, 2023-03-01 This second volume in the series on An Earthed Faith will address the following question Given what we know about the Anthropocene how does one even begin to answer the question What is this God up to and how ought humans respond This is a question of theological method including the sources and interlocutors of Christian theology its aims and starting points social theories shaping it and presuppositions grounding it Addressing this question is the classic task of doing contextual theology namely describing and analysing a particular context and considering how this context may best be addressed theologically and practically The question highlights the need for prophetic theology to discern the signs of the time to recognise a moment of truth Kairos and to discern counter movements of the Spirit The question of method opens the door to constructive critique of how theology has been done and should be done **The Titus Ten** J. Founding Gods, Inventing Nations William F. McCants, 2012 From the dawn of writing in Sumer to the sunset of the Islamic empire Founding Gods Inventing Nations traces four thousand years of speculation on the origins of civilization Investigating a vast range of primary sources some of which are translated here for the first time and focusing on the dynamic influence of the Greek Roman and Arab conquests of the Near East William McCants looks at the ways the conquerors and those they conquered reshaped their myths of civilization s origins in response to the social and political consequences of empire The Greek and Roman conquests brought with them a learned culture that competed with that of native elites The conquering Arabs in contrast had no learned culture which led to three hundred years of Muslim competition over the cultural orientation of Islam a contest reflected in the culture myths of that time What we know today as Islamic culture is the product of this contest whose protagonists drew heavily on the lore of non Arab and pagan antiquity McCants argues that authors in all three periods did not write about civilization s origins solely out of pure antiquarian interest they also sought to address the social and political tensions of the day The strategies they employed and the postcolonial dilemmas they confronted provide invaluable context for understanding how authors today use myth and history to locate themselves in the confusing aftermath of empire The Illuminated Messiah Bible ,2023-11-07 The infallible living Word of God as penned in the majestic King James Version has had a powerful influence on language and literature since 1611 Developed by scholars and entwined with poetic cadence and vivid imagery this version of the Bible is the standard by which all translations are measured and the most printed book of all time The Illuminated Messiah Bible harkens back to the handcrafted Bibles from medieval times Within these pages is a beautiful collection of sixty six original portraits of Jesus from each book of the Bible The Messianic theme from Genesis to Revelation is illuminated in spectacular fashion with a detailed treatise by the artist explaining the theology behind every brushstroke Grow your Christian faith as you immerse yourself in the beauty and truth found in these trusted words NKJV, Beautiful Word Bible Zondervan, 2016-03-22 Be drawn into God's Word through a fresh creative expression of the beautiful words of Scripture Featuring inspiring full color art the NKJV Beautiful WordTM Bible will encourage a deeper and more authentic quiet time With 500 verses illustrated to help you see the rich diversity of stories characters prophecies rewards and hope contained within Scripture you will discover wisdom to sustain you in every season drawing you deeper into God's life changing Word Features Complete text of the New King James Version NKJV 500 Full color illustrated verses Index of illustrated Scripture passages The NASB, MacArthur Study Bible Thomas Nelson, 2013-11-05 A classic resource The MacArthur Study Bible is perfect for serious study Dr John
