Online Promises Made Lies Told Michelle:

Promises from the Closet Laura Sorento, 2015-08-25 Laura Sorento grew up in a home filled with lies and abuse. At a very young age her mother had an affair with a divorced man named Bruce who had three children. Shortly after that her mom convinced her husband Anthony to buy a large home with Bruce and his children. Her mom had managed to pull off this twisted arrangement for almost ten years ending with Laura being abused, humiliated, violated, and emotionally abandoned. Bruce was so abusive and her mother was so caught up with this love affair that she lost sight of everything. She became a totally different mother than Laura knew and the home soon became a dysfunctional nightmare. Laura often would be chased into her closet where Bruce would abuse her. While she lay in her closet crying she would wonder why her mom never helped her. Her mom knew about all of it but she would always find fault with Laura. She felt abandoned by her mom and afraid to tell her dad. Why did she allow this to go on? As Laura cried in her closet she made promises to herself and to her future children that she hoped to have someday. She promised to love and protect them at any cost. **The Power of a Promise**

Tossed back and forth between Africa, Eastern and Western Europe, Family D has experienced all the bloody upheavals of colonialism and neo colonialism and got caught up in the strife between socialism and capitalism and everything in between. Now in the beginning of the 21st century these three young women and their parents have gone global writing online diaries about their adventures, hopes, frustrations, addictions, obsessions, conspiracies, and even practical tips. The involvement of the youngest sister in an international criminal network triggers a series of comic confrontations between the family members over conflicting worldviews and desires. Everyone's tendency to deceive and betray each other and ultimately the family's participation in the chaos of Angola's colonial past, independence, and civil war. **Internet Drama and**
