

A black and white photograph showing the aftermath of a disaster, likely a hurricane. A small, single-story house is severely damaged, with its roof partially collapsed and debris scattered around it. Several power lines and poles are visible, some leaning precariously. The scene is desolate and captures the scale of the destruction.

Honolulu Noir comprises stories about the people of the city written by those who know this place best The volume opens with a story featuring Chang Apana the Native Hawaiian Chinese real life cop who was the inspiration for the controversial Charlie Chan It ends with a supernatural journey from the Philippines to Hawaii In between readers will find multicultural tales of invasion whether yakuza ISIS recruiters or vampires madness addiction and murder all the stuff that many people don't know happens here Unbeknownst to the rest of the country Honolulu can be a very dangerous place Here even the alluring crystal blue waters might kill you

Chris McKinney says When the opportunity to edit *Honolulu Noir* was presented to me I jumped at the chance I'd been aware of the outstanding reputation of Akashic's Noir Series and as someone who was born and has lived and worked in just about every neighborhood in this city I felt up to the task

Noir started to come in it became increasingly clear to us that what was taking shape was not just some collection of dark stories set in old Stamboul but a rich portrait of the city itself or at the very least a particularly revealing series of snapshots. Mind you it is a city shaped largely by the often vicious ebb and tide of the nation's politics. Although Ankara may be the capital of the Republic of Turkey the truth of the matter is with a good twelve million people and thus a fifth of its population Istanbul is the throbbing often bleeding heart of the country's politics. And it shows. Lying at the crossroads of East and West Istanbul belongs to neither and to both and it is precisely this elusive in betweenness upon which the city thrives. No matter how much blood is spilled trying to conform to Western standards they just don't stick in this slippery city. Here you don't break the rules you forge a loophole through them. A den of sin and a bastion of virtue Istanbul is a fog covered playground of power and resistance denial and repression and if you don't know the tricks of the game you'll likely feel the urge to abandon your marbles and go.

Paris Noir (Akashic Noir) Aurélien Masson, 2008-11-01 All original stories from Paris finest authors all translated from French. Akashic Books continues its groundbreaking series of original noir anthologies launched in 2004 with Brooklyn Noir. Each story is set in a distinct neighborhood or location within the city of the book. Brand new stories by Didier Daeninckx Jean Bernard Pouy Marc Villard Chantal Pelletier Patrick P. Cherot DOA Herv Prudon Dominique Mainard Salim Bachi Jérôme Leroy Laurent Martin and Christophe Mercier. From the introduction by Aurélien Masson Paris is a city that lives and thus dies every day. No point hiding behind history or war memories. What is a threat to Paris to its noir dimension even is potential museumification the possibility of the city turning into a big theme park. In Paris after all everything is still there. All you have to do is look around with eyes wide open. Beyond the lights beyond the cafés and bars Paris is sometimes like a grave. It's a city you run away from or at least dream of running away from. But on every street corner the past jumps at your throat like a grimacing hyena. You don't inhabit your city you dream it. All I can do now is invite you to enter the dream.

by Cathi Unsworth That London has survived so long comes down to its foundation in the root of all evil The river as the Romans knew meant the riches of the world could be shipped directly to its ravenous mouth London has controlled the world for many of the years of its existence London is the Grand Wizard It s no coincidence that Ken Hollings writes a future projection for the city from the gleaming towers of Canary Wharf the monument to capitalism laid down on the ashes of the working class East End by the Wicked Witch of Westminster Margaret Thatcher So this is not really a collection of crime stories This is a compass for the reader to chart their own path through the dark streets of London to take whatever part chimes most closely with their soul and use it as a talisman
