New Testament Church of Jesus Christ of Latter-day Saints, 1997 *Know Your Bible New Testament - Teacher's Manual PDF* Dr. Brian J. Bailey, 2020-01-21 This teacher manual is based on the book *Know Your Bible* which shows that as believers it is vital that we are well grounded in the truth of God's Word in order to stand strong in the coming days. Having a comprehensive overview of the Bible is a must and it will become a reality through reading this anointed book. In this survey of the 27 books of the New Testament Dr. Bailey focuses on key concepts in each of the studies and has interspersed many wonderful insights from his vast experience. Through this well-written survey you will easily grasp the salient truths that flow through the pages of God's Book and gain a greater desire to study His Word. *New Testament Made Easier: 3rd Edition* David J. Ridges, 2023-04-24 Noted teacher and gospel scholar David J. Ridges brings the New Testament to life with his well-known teaching skills in this third edition of *The New Testament Made Easier*. This enhanced version now includes hundreds of additional brief notes and commentary plus many verses from the Joseph Smith Translation of the Bible and the full text of the best-selling book *Our Savior Jesus Christ: His Life and Mission to Cleanse and Heal*. An invaluable bonus to this edition: *Our Savior Jesus Christ* takes the reader on an intimate journey through the Savior's mortal life. It begins with the pre-existence, highlights the Lord's three-year ministry, and reverently concludes with the final week of his mortality. Join the tens of thousands of readers who have experienced spiritual growth from reading and pondering the books in this series. Understand for yourself and celebrate the cleansing, healing power of the Atonement, the Resurrection, and the Savior's continuing ministry to bring us back to the Father. **A POWERFUL STUDY GUIDE** Quickly gain a basic understanding of the New Testament with the help of brief notes within and between the verses, accompanied by bolding for teaching emphasis. Example: John 16:23-24 And in that day ye shall ask me nothing. Verily, verily, I say unto you, Whatsoever ye shall ask the Father in my name, he will give it you. Transfer the brief notes into your own scriptures to increase your understanding of the New Testament now and in the future. Better understand the symbolism in the Savior's parables. *Latter-day Saint Theology among Christian Theologies* Grant Underwood, 2025-03-13 How do the beliefs of Latter-day Saints compare with traditional Christian theology? Grant Underwood provides answers to this question that are clear, detailed, and thoughtful. Writing for a broad and interested Christian audience, he systematically brings Mormon thought into conversation with main currents of Christian theology. He focuses on major topics that have engaged Christian thinkers over the years: who God is, who Jesus Christ is, who we are, how we are saved, what the church is, and what the future holds for human history as well as for individual human lives. Most chapters follow a format in which relevant themes are introduced with an overview of significant Christian reflection on the topic, followed by an exploration of Latter-day Saint thought on the subject. Throughout the book, Underwood's goal is to analyze, not catechize. While the author is a practicing Latter-day Saint, that reality only enhances his appreciation for the theology produced by centuries of fellow Christians of faith who, in Anselm's words, have

diligently and devoutly sought understanding Underwood seeks to facilitate mutual understanding among Christians who may worship differently who conceive of God and God's relations with humanity differently and who articulate their religious beliefs in terms and concepts that are unfamiliar to each other Readers of this book are invited to approach its sympathetic presentation of such Christian theologies including that of the Latter day Saints with an openness and curiosity that can lead to a more accurate nuanced understanding of the doctrines discussed *Teacher's Manual to accompany Bible Translation: An Introductory Course in Translation Principles* Katharine Barnwell, 2022-06-06 Whether you are an instructor preparing a course a trainer of beginning translators or a self study student of Bible translation this teacher's manual is an essential complement to the fourth edition of Bible Translation An Introductory Course in Translation Principles It includes an introduction to planning the training program lesson plans and suggested assignments directions for use of additional resources including PowerPoints PDFs and links to reference materials and videos guidance for planning and organising a Bible translation project
