Exit Strategy Don Pendleton,2015-12 At head of title Don Pendleton s Stony Man Exit Code Don Pendleton,2014-01-15 Enemies bent on total terror have infiltrated the U S government s most sophisticated defense technology Mack Bolan and the Stony Man cyberneticists are in a race against time to crack the doomsday code before America s infrastructure collapses Rebel Trade Don Pendleton,2012-05 A red flag goes up in Washington after pirates murder the innocent crew of a U S merchant vessel off the coast of Namibia Backed by certain authorities the African rebel group behind the attack believes it is untouchable But Mack Bolan is about to change that Original **Death Metal** Don Pendleton,2014-04-01 DEATH TRACK When a Scandinavian heavy metal band claims to possess the ordnance to wage a war no one takes them seriously despite their ties to right wing extremists But then a band member is murdered and the weapons stash proves authentic A remote deserted military base on the Norwegian border with Finland harbors a stockpile of firearms and nuclear devices from the Soviet era With news of the cache spreading rabid political and paramilitary groups vie to seize the weaponry The U S has just one good move send in Mack Bolan Tracking his enemies across the unforgiving Nordic landscape Bolan blazes a hot path of destruction even when the trail runs cold But with so many competing interests eliminating one threat gives rise to another The frigid North is about to be blown off the map unless Bolan can force the warmongers to face the music And the Executioner s tune is almost always deadly **Death Minus Zero** Don Pendleton,2015-10-06 STONY MAN When innocence is under attack the Stony Man teams are primed to hit the battlefield Operating under the President s orders the world s best black ops warriors and cyber techs are willing to pay the ultimate price to uphold freedom LAST DEFENSE Washington goes on full alert when Chinese operatives kidnap the creator of a vital US defense system a top secret orbiting platform Tracking the missing scientist to the Swiss Alps Phoenix Force has to rescue the captive before torture forces him to give up the platform s secrets putting millions of lives at risk While Phoenix Force is overseas Able Team uncovers a plot to take over the system s mission control facility Both teams are outnumbered and outgunned but they ll do whatever it takes to stop America s enemies from holding the entire country hostage

Missile Intercept Don Pendleton,2016-06-01 Within Striking Distance It s no coincidence that Cuban missiles disappear at the same time two scientists are kidnapped from a conference in Mexico And all the clues lead to North Korea The country already has atomic bombs and now they ve got everything they need to perfect long range missile technology Unless Mack Bolan can stop them Determined to save the scientists and prevent a world war Bolan learns he s not the only one with his sights set on retrieving the missiles The Iranians are also after the technology along with a North Korean army colonel and his ruthless assistant With a killer on his tail the Executioner has to eliminate the international threat or die trying **Road of Bones** Don Pendleton,2012-04-01 Dispatched on a high priority search and rescue mission Mack Bolan becomes a moving target in the cold heart of Siberia He s on a motorcycle hell ride along a thousand miles of broken battered highway Known

as the Road of Bones it's a mass grave to thousands of slave laborers buried during Stalin's iron rule. A defecting Russian intelligence agent's testimony stands to aim heavy artillery at Russian mobsters in America. To silence her, a hunter-killer team of secret police and gangsters engage in hot pursuit. The enemy has the edge: manpower, weapons, and homefield advantage. For Bolan, it's a one-way trip on an open road effectively sealed at both ends by death squads. Every mile survived brings them both either closer to freedom or ultimate doom.

Target Acquisition Don Pendleton, 2010-10-01

Stony Man, the covert action arm of the Justice Department, is the highest level trump card at Presidential discretion. The handpicked team of commandos and brilliant cybernetic specialists engage in the kind of last-minute, high-difficulty and direct intervention operations that sidestep red tape and rules. Stony Man's mandate: get the job done. With ground teams working separate missions across the globe—one against jihadists fueling terror in Pakistan and another rescuing a plane filled with American hostages in the Amazon—the cyber team at Stony Man connects the dots to an unfolding global nightmare. At its source: a megalomaniacal emir with the power and royal connections to cause international havoc. He's willing to sacrifice countless innocent lives for his own twisted vengeance. With ruthless efficiency, Stony Man engages in all-out war to stop evil at its source.

Armageddon Exit Don Pendleton, 2002

The United States is under siege, locked in a campaign of madness masterminded by an enemy whose network encompasses a sinister world of traitors within the U.S. military government and intelligence circles. But America is ready to fight back. And Mack Bolan will see that justice lives large.

Hellfire Code Don Pendleton, 2014-01-15

PATRIOT GAMES: Garrett Downing loves his country, and he's brilliant and rich enough to pull together a private army of hard-core mercenaries ready to take out America's enemies. He's got a battle-hardened black ops veteran in charge of his assault force and a secret weapon in his arsenal: a state-of-the-art multiterrain vehicle unlike any other. With his troops and his fighting machines of the future, he's poised to engage the enemy anywhere in the world. Invincible, dedicated to his cause, and virtually unstoppable, he's dismissing the deaths of innocents as casualties of his righteous fury. Garrett Downing may be out of the government's reach, but not Mack Bolan's. He wrote the book on private war and is prepared to enforce the unbreakable rule that there are no acceptable losses.

The Judas Project Don Pendleton, 2008-09-01

The cold war just got hot again. The old Soviet Bloc espionage games have resumed on a covert and catastrophic new playing field: the U.S. financial markets. The enemy isn't the Russian government but long-dormant sleeper cells in America's cities planted by the KGB decades ago. Now a former Kremlin official has found the top-secret files and stolen the blueprint ready to pocket and manipulate America's resources. He has hijacked operation Black Judas, enlisted the KGB's most lethal assassin to terminate operatives, and has begun reshaping a brilliant plot to steal billions of American dollars. But he didn't plan on a beautiful Russian cop on a vengeance hunt or an American warrior named Mack Bolan in deadly pursuit, gunning for blood and justice.

Toxic Terrain Don Pendleton, 2011-05-01

The badlands of North Dakota become a war zone when a former Pentagon researcher stumbles across a Chinese terrorist plot to unleash deadly prions into the country's

largest supply of cattle feed With America s food chain and the lives of millions in jeopardy Mack Bolan knows he must shut down the organization and it has to happen fast But with the local authorities on the enemy s payroll and an army of mercenaries tracking his every move there s no safe place for Bolan Heavy fire power alone will not win this fight Bolan must rely on his battle instincts if he s going to prevent tragedy The Executioner will risk everything to succeed because if he fails the United States may never recover **Final Judgment** Don Pendleton,2012-07-01 JUDGMENT DAY When neo Nazis seize a U S courthouse and demand the release of their leader Mack Bolan is called to go in under the radar and eliminate the gunmen But before he can finish the job the WWII Nazi escapes With hostages Bolan knows that more innocent blood will be shed unless he can take out the neo Nazis every last one And speed is of the essence as the war criminal has picked the leader of a holocaust remembrance group as his new target This time there will be no escape The Executioner is judge and jury and he s ready to deliver his own form of justice **Crisis Point** Don Pendleton,1995 Punitive Measures Don Pendleton,1998 A variety of weapons unmarked with no serial numbers are appearing at crime scenes and in the hands of terrorists all over the world Stony Man is concerned as such a wide distribution of inexpensive weapons could mean a rash of violent incidents at home and abroad Mack Bolan s team follows the clues to an unlikely arms manufacturer and to a bloody showdown to the finish *Jungle Conflict* Don Pendleton,2002 New hostilities erupt between Peru and Ecuador and take a deadly turn when a standoff leads to germ warfare in the Amazon Mack Bolan s mission is to locate and destroy those bioweapons before it s too late May **Ring of Retaliation** Don Pendleton,2002 Chaos is running rampant in Greece due to one of the most evasive and mysterious terrorist groups in the world Even worse the Greek government is powerless to act with elected officials being held at the mercy of the organization Mack Bolan goes undercover joining the group as they get ready for a full scale slaughter at a NATO summit in Athens It is up to The Executioner to foil their plans for a massive retaliatory campaign and save many innocent lives **Fission Fury** Don Pendleton,1996 **Death Gamble** Don Pendleton,2004 Nightwind the military s best kept secret is the most lethal anti missile aircraft in American s arsenal Now it s about to fall into enemy hands and only the Executioner can prevent it Original **Forthcoming Books** Rose Army,1998-04
