Statisticians of the Centuries P. Coppel, C.C. Heyde, S.E. Fienberg, E. Seneta, J. Gani, 2013-12-01 Statisticians of the Centuries aims to demonstrate the achievements of statistics to a broad audience and to commemorate the work of celebrated statisticians This is done through short biographies that put the statistical work in its historical and sociological context emphasizing contributions to science and society in the broadest terms rather than narrow technical achievement The discipline is treated from its earliest times and only individuals born prior to the 20th Century are included The volume arose through the initiative of the International Statistical Institute ISI the principal representative association for international statistics founded in 1885 Extensive

consultations within the statistical community and with prominent members of ISI in particular led to the names of the 104 individuals who are included in the volume The biographies were contributed by 73 authors from across the world The editors are the well known statisticians Chris Heyde and Eugene Seneta Chris Heyde is Professor of Statistics at both Columbia University in New York and the Australian National University in Canberra He is also Director of the Center for Applied Probability at Columbia He has twice served as Vice President of the ISI and also as President of the ISI s Bernoulli Society Eugene Seneta is Professor of Mathematical Statistics at the University of Sydney and a Member of the ISI His historical writings focus on 19th Century France and the Russian Empire He has taught courses on the history of probability based statistics in U S universities Both editors are Fellows of the Australian Academy of Science and have at various times been awarded the Pitman Medal of the Statistical Society of Australia for their distinguished research contributions The Weekly Underwriter ,1901 **Live Stock Journal** ,1889 *Journal of the Institute of Actuaries* ,1857 **The Assurance Magazine and Journal of the Institute of Actuaries** ,1857 **The Grub Street Journal, 1730-33 Vol 3** Bertrand A Goldgar,2024-10-28 The Grub Street Journal was perhaps the most widely read weekly journal in England of its period The first four years are reprinted here representing the journal in its prime in terms of quality and popularity This edition is enhanced with a general introduction and comprehensive annotation **Up Your Teaching Game** Janna Jackson Kellinger,2024-12-23 Up Your Teaching Game offers K 12 teachers an intuitive and refreshingly fun pathway for creating immersive story based games that encourage students to experience the curriculum through play Regardless of their technical abilities design acumen grade level or domain today s teachers have fresh opportunities to create and implement their own content based games based on the same techniques that video game designers use to create commercial video games In five actionable steps this book prepares educators to design curricular games that teach instead of test that are derived from content rather than divergent from it and that motivate students to take ownership over their learning Programs that most teachers are familiar with such as PowerPoint and Google Slides and technologies that may be new to them such as Twine and Scratch are addressed alongside the use of their own classrooms and schools as game spaces Novice and veteran teachers alike as well as curriculum designers and school technologists will find a wealth of strategies and lessons learned tips for avoiding pitfalls and time constraints examples of quests and storyline advancement and much more The Condensed Commentary and Family Exposition of the Holy Bible ...
