Nice Life After You Lucie Brownlee:

Life After You Lucie Brownlee, 2015-09-03 He crashed on to the pillow next to me heavy as a felled oak I slapped His face and told Him to wake up Our daughter B appeared in the doorway woken up by the screaming I must have been screaming but I don't remember and she was crying and peering in I told her the ultimate adult lie that everything was all right Sudden death is rude It just wanders in and takes your husband without any warning it doesn't even have the decency to knock At the impossibly young age of 37 as they were making love one night Lucie Brownlee's beloved husband Mark dropped dead As Lucie tried to make sense of her new life the one she never thought she would be living she turned to writing to express her grief *Life After You* is the stunning irreverent and heartbreakingly honest result Being Adam Golightly Adam

Golightly, 2018-02-08 The cruel early death of his beloved wife Helen tears up the script of Adam Golightly's middle class middle aged existence Miserably single outnumbered by his kids and haunted by life's screaming fragility he recounts his fight back against the crappy hand of fate This irreverent and frank memoir follows Adam's snakes and ladders journey through his grief in the year following his wife's death as he struggles with small town tongue wagging the trauma of teenage bra shopping and online dating anarchy Adam's is the biggest mid life crisis anyone could face and as he starts to build a new alternative life for himself and his children he shows not just how to survive bereavement but how to be transformed by it

With and Without Steven Payne, 2021-07-15 Rhona sometimes used to say to me that meeting me as she did when I was only twenty five she had had the best years of my life Truer word was never spoken While she to my life long shame remorse and regret unquestionably had some of the worst of me I like to think I hope that she also had such as it is all of the best of me I was twenty five when we met and forty six when she died That's a hefty chunk of an important period of anybody's life and Rhona had it For all its lows as well as highs the downs as well as the ups what else can you expect for two people together almost all the time for twenty one years what Rhona and I had what we created was a life And she was whatever anybody else says or thinks despite my grievous mistakes the centre of mine There are no perfect people in this world but sometimes just sometimes two people can be perfect for each other *Southern Reporter*, 1928 Includes the decisions of
