

CPI Certificate of Proficiency in Insolvency Scotland

CPI is a flexible qualification. It recognises the capabilities of staff who have several years' experience in all types of insolvency. Alternatively, it can be used as an effective stepping stone towards the JEB exam by candidates and their employers. On successful completion of the exam, candidates may apply for Affiliate Membership of the IPA (AIPA).

ISS Training's modules have been designed to cover the Scottish exam syllabus and to offer essential guidance on the principal areas on which you will be tested. Participants are actively encouraged to ask questions and to discuss the syllabus with the speakers. Comprehensive study aids and course notes for each module will be provided. Face-to-face tutorials get results. Compare our results with those of our online-only competitors.

The modules are continually updated for current legislation and best practice. The training is practical and participative, culminating in a mock exam and a revision session that covers all the areas of difficulty as identified by participants throughout the course of the training.
