4th Grade

Family Engagement Guide

Welcome to fourth grade! This is an important transition year for your child. This year, students are expected to read more challenging textbooks. You will no doubt hear more about history and science as your child continues their learning in these important content areas. As your fourth grader engages with more critical thinking activities this year, they will make connections to higher order thinking and build their knowledge in exciting ways.

Your child's after school interests may become more demanding. This is a great year to begin releasing more responsibility to your child, such as taking the lead for their classroom requirements. Helping your child to develop a healthy balance of their home, school, and community involvement will benefit their decision-making and time-management skills.

Take some time to find out how your fourth grader's teacher prefers to communicate with families. Maintaining positive communication with their teacher will help your fourth grader be successful. The activities in this guide will help you create an enjoyable and safe space for you and your child to explore learning together.

Family Engagement Guide- 4th Grade
