Desire and De-Scriptio Zsófia Bán,2023-12-28
This volume without negating Williams strong ties with modernism intends to dislodge this deeply ingrained critical

positioning by presenting him as an overlooked figure in the emerging tradition of postmodernism The study advances the claim that Williams clearly recognized this nascent discourse and rather than pursuing his earlier mode of writing consciously sought a new language for a rapidly changing cultural context Drawing on wide ranging multidisciplinary critical texts this book will be of interest not only to Williams scholars but to all those who continue to be intrigued by the elusive boundaries between word and image as well as modernism and postmodernism

Handbook of Print Media Helmut Kipphan,2014-02-27 Printers nowadays are having to learn new technologies if they are to remain competitive This innovative practical manual is specifically designed to cater to these training demands Written by an expert in the field the Handbook is unique in covering the entire spectrum of modern print media production Despite its comprehensive treatment it remains an easy to use single volume reference with all the information clearly structured and readily retrievable The author covers both traditional as well as computer aided technologies in all stages of production as well as electronic media and multimedia He also deals with training research strategies and trends showing readers how to implement the latest methods With 1 200 pages containing 1 500 illustrations over half in colour the Handbook conveys the current state of technology together with its specific terminology

Typographica Rick Poyner,2002 A trailblazer in its day Typographica is ripe for rediscovery and reappraisal by a new generation of designers and image makers Its boundary blurring fusion of modernist experimentation visual and concrete poetry and environmental photography anticipated many of the preoccupations of contemporary designers artists and cultural commentators Rick Poyner offers a carefully researched and illustrated book paying tribute to the significant contribution Herbert Spencer and Typographica made to graphic design history

BOOK JACKET The Cambridge Handbook of Discourse Studies Anna De Fina,Alexandra Georgakopoulou,2020-10-15 Discourse studies the study of the ways in which language is used in texts and contexts is a fast moving and increasingly diverse field With contributions from leading and upcoming scholars from across the world and covering cutting edge research this Handbook offers an up to date survey of Discourse Studies It is organized according to perspectives and areas of engagement with each chapter providing an overview of the historical development of its topic the main current issues debates and synergies and future directions The Handbook presents new perspectives on well established themes such as narrative conversation analytic and cognitive approaches to discourse while also embracing a range of up to the minute topics from post humanism to digital surveillance recent methodological orientations such as linguistic landscapes and multimodal discourse analysis and new fields of engagement such as discourses on race religion and money

MULTIMODAL DISCOURSE INFORMATION PROCESSING IN ENGLISH CLASSROOM INSTRUCTION FOR LEGAL PURPOSES YANMEI HUAI,2021-02-22 English for Law also called Legal English Teaching is a big challenge for EFL ESL teachers worldwide Multimodal teaching and learning may engage law students with legal content and the English language by using multiple communication modes and mediums But what are the multi modes and multi mediums specific to

the ESP English for Specific Purposes course How would teachers deal with that complicated multimodal information How would teachers intrigue students interest focus their attention and guide them to follow respond analyze extend and comment And how would teachers build students critical thinking skills and shape international elites dispositions This book would discuss more in depth the above questions The new analysis framework of MDIP Multimodal Discourse Information Processing could decode classroom participants interactive intentions from their multimodal presentation discourses could focus LCTA Legal Critical Thinking Abilities as the primary training purpose of Legal English Teaching and could provide Legal English Teaching with discursive cognitive and communicative information strategies With the help of MDIP strategies teachers are clearer at how to extract the legal documents genres how to create the lecture schemata how to generate visualized tree discourses how to build hierarchies among multimodal information how to allocate teaching learning and assessing tasks in classroom instruction etc As a result Legal English Teaching s course design will become much less challenging for EFL ESL teachers

Untying the Mother Tongue Antonio Castore, Federico Dal Bo, 2023-09-04 Untying the Mother Tongue explores what it might mean today to speak of someone s attachment to a particular primary language Traditional conceptions of mother tongue are often seen as an expression of the ideology of a European nation state Yet current celebrations of multilingualism reflect the recent demands of global capitalism raising other challenges The contributions from international scholars on literature philosophy and culture analyze and problematize the concept of mother tongue rethinking affective and cognitive attachments to language while deconstructing its metaphysical capitalist and colonialist presuppositions

Multimodality John Bateman, Janina Wildfeuer, Tuomo Hiippala, 2017-04-10 This textbook provides the first foundational introduction to the practice of analysing multimodality covering the full breadth of media and situations in which multimodality needs to be a concern Readers learn via use cases how to approach any multimodal situation and to derive their own specifically tailored sets of methods for conducting and evaluating analyses Extensive references and critical discussion of existing approaches from many disciplines and in each of the multimodal domains addressed are provided The authors adopt a problem oriented perspective throughout showing how an appropriate foundation for understanding multimodality as a phenomenon can be used to derive strong methodological guidance for analysis as well as supporting the adoption and combination of appropriate theoretical tools Theoretical positions found in the literature are consequently always related back to the purposes of analysis rather than being promoted as valuable in their own right By these means the book establishes the necessary theoretical foundations to engage productively with today s increasingly complex combinations of multimodal artefacts and performances of all kinds

Cultures of Economy in South-Eastern Europe Jurij Murašov, Davor Beganovic, Andrea Lešic, 2019-11-26 The ubiquitous cultural turn of the 1990s did not spare the thinkers of economics however at the same time economic topics have gained a new importance in cultural studies This volume focuses on cultures of economy in regions of former Yugoslavia as part of South Eastern Europe

supported by theoretical perspectives It examines narratives and poetics of economy in literature film and art as well as in public discourse The contributors spotlight different historical periods the late 19th and the early 20th centuries Socialist Yugoslavia and the transitional and neoliberal period since the 1990s **The Oxford Critical and Cultural History of Modernist Magazines** Peter Brooker, Andrew Thacker, 2009 The first full study of the role of little magazines and their contribution to the making of artistic modernism and the avant garde across Europe this volume is a major scholarly achievement of immense value to those interested in material culture of the twentieth century
