Legal Mobilization under Authoritarianism Waikeng Tam, 2012-11-29 Legal mobilization is the process by which individuals invoke their legal rights and use litigation to defend or develop these rights against the government In recent years increasing attention has been paid to this phenomenon as it occurs under authoritarian regimes It is often suggested that in such situations legal mobilization is caused by the strategic interests of the ruling elites Using the case study of post colonial Hong Kong where legal mobilization has by no means unfolded as political authorities would wish Waikeng Tam casts doubt on this contention To do so he examines in depth why and how legal mobilization arises under authoritarianism Tam analyses quantitative data of changes in the Hong Kong judiciary agendas over the last three decades and uses detailed interviews with activists politicians cause lawyers judges and government officials to reveal the complex underlying socio political forces at play

Power, Gender and Social Change in Africa Raj Bardouille, Margaret Grieco, 2009-03-26 Gender plays a hugely significant and too often under considered role in predicting how accessible resources such as education wage based employment physical and mental health care adequate nutrition and housing will be to an individual or community According to a 2001 World Bank report titled Engendering Development Through Gender

Equality in Rights Resources and Voice enormous disparities exist between men and women in terms of basic rights and the power to determine the future both in Africa and around the globe A better understanding of the links between gender public policy and development outcomes would allow for more effective policy formulation and implementation at many levels This book through its discussion of the challenges achievements and lessons learned in efforts to attain gender equality sheds light on these important issues The book contains chapters from an interdisciplinary group of scholars including sociologists economists political scientists scholars of law anthropologists historians and others The work includes analysis of strategic gender initiatives case studies research and policies as well as conceptual and theoretical pieces With its format of ideas resources and recorded experiences as well as theoretical models and best practices the book is an important contribution to academic and political discourse on the intricate links between gender power and social change in Africa and around the world

Demands of Justice Ann Marie Clark, 2022-02-24 Demands of Justice draws on original interviews and archival research to show how global appeals for human rights began in the 1970s to expand the boundaries of the global neighbourhood and disseminate new arguments about humane concern and law in direct opposition to human rights violations Turning a justice lens on human rights practice Clark argues that human rights practice offers tools that enrich three facets of global justice transnational expressions of simple concern the political realization of justice through politics and law and new but still incomplete approaches to social justice A key case study explores the origins of Amnesty International s well known Urgent Action alerts for individuals as well as temporal change in the use of law in such appeals A second case study of Oxfam s adoption of rights language demonstrates the spread of human rights as a primary way of expressing calls for justice in the world

Leading Works in International Law Donna Lyons, 2023-11-23 This volume provides an innovative and engaging way of assessing the development of international law scholarship and practice to date and its potential future development by focusing upon the leading works of the discipline International law has established itself as an important area of academic study and legal practice Given its academic legal and everyday significance and its prolific role within law school teaching and research it is important to question and analyse the development of international law exploring the complex and shifting interplay between law policy theory and culture and the role of international and national actors within a diverse and dynamic community of nations This collection presents contributions from leading scholars of public international law across the globe and the works chosen by the editor represent a diverse range of subjects within the broader discipline Each chapter analyses the importance and legacy of a specific work with a view to reflecting upon how that publication has contributed to shaping the broader literature in the field of international law and how it may continue to have an influence on both scholarship and practice in the future Taken as a whole the chapters included in this collection provide an original exploration of a variety of important themes about how the discipline has evolved over time The Prologue and Epilogue critically assess the development of international law in light of the reflections by contributors The

book will be a valuable resource for lawyers international law practitioners students and academics alike Handbook on Governance in International Organizations Alistair D. Edgar, 2023-11-03 Required for peace and security economic governance sustainable development and humanitarian support International Organisations IOs are central to the structure of global governance Introducing the importance of governance in IOs this Handbook addresses the collective challenges and synthesises the expertise of global or regional representativeness for international cooperation **Stemming the Tide** Madeline Baer, 2017-08-01 When privatization of public services swept the developing world in the 1990s it was part of a seemingly unstoppable tide of neoliberal reforms aimed at reducing the role of the state and reorienting economies toward market led policymaking Water privatization one of the more unpopular policies of the neoliberal development paradigm sparked a particularly fierce debate and gave rise to a movement of self proclaimed water warriors who advocated for legal recognition of water as a basic human right to be protected and fulfilled by states Broadening the debate Madeline Baer questions whether either approach the market approach or a human rights based approach leads to improved access to water More specifically Baer explores how the human right to water and sanitation is fulfilled in different contexts whether neoliberal policies like privatization pose a threat to the right to water and whether rights fulfillment leads to meaningful social change Using two case studies Chile the most extreme case of water privatization in the developing world and Bolivia the birthplace of the global movement for the human right to water *Stemming the Tide* uncovers the conditions under which the right to water and sanitation can be fulfilled as well as the obstacles to fulfillment Ultimately this book argues that deepening mechanisms for citizen participation strengthening accountability and creating alternatives to the state market binary can help achieve meaningful social transformation in the water sector *Rights-Based Community Practice and Academic Activism in a Turbulent World* Jim Torczyner, 2020-12-20 Drawing on a theoretical model of coexistence premised on universality reciprocity and inclusion this book focusses on the development of academic social work programs and cross border partnerships to promote social justice and peace in Israel Palestine and Jordan Using the model of rights based practice initiated by Professor Torczyner in Montreal and brought to the Middle East in the 1990s it shows how the creation and brokering of cross border partnerships added the concept of rights based practice to the lexicon of these countries established groundbreaking advocacy centers in the hearts of disadvantaged communities developed academic social work programs and initiated important policy changes in each country to reduce inequality and promote social inclusion Showing how this evolving method of rights based practice rooted in theories of coexistence was uniquely adapted in different contexts and cultures while negotiating complex volatile political environments it illustrates how long term peace can be advanced when like minded people irrespective of nationality or religion find ways to promote common interest and a regional culture where all people share the same rights This book will be of interest to all social work students and practitioners interested in community organization and rights based practice as well as scholars policy makers and
