The surrounding city is a dense grid of buildings, many with their lights on, creating a warm glow against the cool blue of the twilight sky. The Hudson River and the East River are visible in the background, with bridges spanning across them.

Allied Encounters Marisa Escobar,2019-07-02 Honorable Mention for the 2019 American Association for Italian American Book Prize 20 21st Centuries Allied Encounters uniquely explores Anglo American and Italian literary cinematic and military representations of World War II Italy in order to trace critique and move beyond the gendered

paradigm of redemption that has conditioned understandings of the Allied Italian encounter The arrival of the Allies global forces in an Italy torn by civil war brought together populations that had long mythologized one another yet liberation did not prove to be the happy ending touted by official rhetoric Instead of a honeymoon the Allied Italian encounter in cities such as Naples and Rome appeared to be a lurid affair where the black market reigned supreme and prostitution was the norm Informed by the historical context as well as by their respective traditions these texts become more than mirrors of the encounter or generic allegories Instead they are sites in which to explore repressed traumas that inform how the occupation unfolded and is remembered including the Holocaust the American Civil War and European colonialism as well as individual traumatic events like the massacre of the Fosse Ardeatine and the mass civilian rape near Rome by colonial soldiers

Wynn, 2011-07-05 Everyone wants to visit New York at least once The Big Apple is a global tourist destination with a dizzying array of attractions throughout the five boroughs The only problem is figuring out where to start and that's where the city's tour guides come in These guides are a vital part of New York's raucous sidewalk culture and as The Tour Guide reveals the tours they offer are as fascinatingly diverse and eccentric as the city itself Visitors can take tours that cover Manhattan before the arrival of European settlers the nineteenth century Irish gangs of Five Points the culinary traditions of Queens the culture of Harlem or even the surveillance cameras of Chelsea in short there are tours to satisfy anyone's curiosity about the city's past or present And the guides are as intriguing as the subjects we learn as Jonathan R Wynn explores the lives of the people behind the tours introducing us to office workers looking for a diversion from their desk jobs unemployed actors honing their vocal skills and struggling retirees searching for a second calling Matching years of research with his own experiences as a guide Wynn also lays bare the grueling process of acquiring an official license and offers a how to guide to designing and leading a tour Touching on the long history of tour giving across the globe as well as the ups and downs of New York's tour guide industry in the wake of 9/11 The Tour Guide is as informative and insightful as the chatty charming and colorful characters at its heart
