Next Time You See A Pill Bug:

Next Time You See a Pill Bug Emily Morgan, 2013 Chances are that just under a nearby rock you'll spot a roly poly pill bug. Encourage a child to take a close look and introduce a fascinating creature. Gently pick it up and watch as it rolls into a ball and unrolls to take a walk. This cousin to lobsters and crabs sheds its crusty skin and will tickle your hand with its 14 count 'em wiggly legs. Awaken a sense of wonder in a child with the Next Time You See series from NSTA Kids. The books will inspire elementary age children to experience the enchantment of everyday phenomena such as pill bugs, fireflies, seashells, and sunsets. Free supplementary activities are available on the NSTA website. Especially designed to be experienced with an adult, be it a parent, teacher, or friend. Next Time You See books serve as a reminder that you don't have to look far to find something remarkable in nature.

Balance Screen Time With Green Time Emily Morgan, 2023-12-07 Harness the power of nature to nurture minds and hearts. Youth spend anywhere between four and nine hours on screens every single day. Meanwhile, a growing body of research shows how detrimental excessive screen time is on physical and mental health. The antidote: Green time. Written by bestselling author and science educator Emily Morgan, *Balance Screen Time With Green Time* gives teachers and school leaders practical, evidence-based strategies that seamlessly incorporate the restorative power of nature into the school day. Transform learning experiences and improve student and educator well-being with research-based strategies that improve attention, engagement, pro-environmental behaviors, and mental and physical health while reducing stress. Dozens of easy-to-implement green breaks, short invigorating experiences with nature that help students and teachers renew and refocus throughout the school day. Stories of innovative educators who connect students with nature and offer meaningful ways to integrate green time while enhancing learning. A curated collection of resources to support educators of all grade levels, content areas, and school environments: urban, suburban, and rural. With green time, we have an opportunity to create a generation of students who are not only more connected to the natural world but are also the environmental stewards our future so desperately needs. Balancing screen time with green time is an investment in student well-being, our collective future, and a healthier planet.
