WINSTON GROOM

Nice Book Generals Patton Macarthur Marshall Winning

William A. Taylor

Nice Book Generals Patton Macarthur Marshall Winning:

The Generals Winston Groom, 2015 Groom tells the intertwined and uniquely American tales of George Patton Douglas MacArthur and George Marshall These three remarkable men of arms who rose from the gruesome hell of the First World War to become the finest generals of their generation during World War II redefined America's ideas of military leadership and brought forth a new generation of American soldier Against the backdrop of the most dramatic moments of the twentieth century you'll discover new insights into the lives of America's most celebrated warriors [Things to Consider Before Calling Yourself a Christian](#) James A. Shaw, MD, 2018-08-27 [Things to Consider Before Calling Yourself a Christian](#) By James A Shaw MD Dr Shaw's [Things to Consider Before Calling Yourself a Christian](#) offers a critical examination of the historical origins of the Christian Church and insightful analyses of doctrine and metaphysical precepts embraced by the Christian faith As noted by Shaw factually unsupported faith based beliefs form the basis of all religions including Christianity This short book provides the reader with a well researched foundation from which to pursue his or her own inquiry into the history of Christianity as well as focusing discussions for personal introspection Lighthearted quotations anecdotes and commentary provide humorous interludes throughout the text [Patton's Last Gamble](#) Duane Schultz, 2018-05-01 In March 1945 against the advice of his top subordinates Gen George Patton created a special task force to venture more than fifty miles behind enemy lines and liberate a POW camp near Hammelburg Germany The camp held some 1 500 American prisoners including Patton's son in law Hampered by ambushes and a lack of fuel and even maps the raid was a disaster one of the worst mistakes of Patton's legendary career Out of some 300 men only three dozen returned Based on memoirs diaries combat reports and interviews with survivors Patton's Last Gamble vividly recounts a mission Gen Omar Bradley later said began as a wild goose chase and ended in tragedy *George C. Marshall and the Early Cold War* William A. Taylor, 2020-07-09 Though best known for his central part in the American war effort from 1939 to 1945 George C Marshall's critical role in the early Cold War was probably at least as important in shaping the policies and politics of the postwar western world and in cementing his place as a pivotal figure in twentieth century American history This book places Marshall squarely at the center of the story of the American century by examining his tenure in key policymaking positions during this period including army chief of staff special presidential envoy to China secretary of state and secretary of defense among others *George C Marshall and the Early Cold War* brings together a diverse and accomplished group of scholars including military diplomatic and institutional historians to explore how Marshall Time magazine's Man of the Year in both 1943 and 1947 and the 1953 Nobel Peace Prize winner molded debates on all the major issues of his day such as universal military training China's civil war an independent air force the National Security Act of 1947 nuclear weapons European Recovery Program North Atlantic Treaty Korean War and racial integration of the U S military With a focus on Marshall's public service at the intersection of American policy politics and society the authors provide a comprehensive historical account of his central role

in shaping America during a tumultuous yet formative period in the nation's history. Their work fills a void in the scholarship of American military history and American history generally providing context for the consideration of broader questions about American power and the place of the military within American society. **Military Review**, 2008 Quarterly Review of Military Literature, 1993 *Professional Journal of the United States Army*, 1993 *Military Law Review*, 1995 **The JAG Journal**, 1974 **Journal of the United States Artillery**, 1945 *Old Words for a New World* Walter Brueggemann, 2025-02-04 Walter Brueggemann has been so effective for so long precisely because he has consistently called upon the church to see beyond the taken-for-granted realities it confronts by imagining God's alternative reality to recognize that the bars of its entrapment were social constructs and could just as easily be deconstructed so we could be once again enchanted by God's good news. To challenge the taken-for-granted reality of the church and to imagine an alternative reality Brueggemann consistently takes us back to the biblical text. He moves between a description of the reality that appears in front of the church and the alternative that God is preparing for God's people that begins now and moves into God's eschatological future. In so doing Brueggemann seeks to unleash the power of God's words to create a new world here and now. *The Air Force Academy Candidate Book* William L. Smallwood, Sue Ross, 2007 *The Good Book on Leadership* John Borek, Danny Lovett, Elmer L. Towns, 2005 Biblical personalities examined include Abraham Jacob Joseph Moses Joshua Samson Saul David Solomon Ezra Nehemiah Jesus Peter Paul and many others. **The Genesis of an American Superpower** Blaine T. Browne, 2025-08-25 This book is the first comprehensive analysis of a crucial transitional period in American history when the nation abandoned its previous isolationist tradition and accepted the burdens of global leadership in the aftermath of World War II. American society, culture, economy and politics were all transformed in the postwar era as an abundant society evolved and confronted crucial issues such as coping with the nuclear age and addressing civil rights. During the presidency of Harry Truman the United States undertook the reconstruction of Europe, the occupation of Germany and Japan participated in the judicial prosecution of war criminals and instituted the policies and agencies necessary to confront the expansion of Soviet power as the Cold War took shape. The structure of a modern national security state began to form as the military was reorganized to accommodate the possible use of nuclear weapons and combat newly arisen threats. Alongside analyzing the historical, political and economic developments that led to America's dramatic transformation, each chapter also sheds light on key figures of the era including Eleanor Roosevelt, Humphrey Bogart and Bayard Rustin. *The Genesis of an American Superpower* is a unique resource aimed at general readers and undergraduates, graduates and scholars alike interested in modern American history and politics. The Allies Winston Groom, 2018-11-13 Best-selling author Winston Groom tells the complex story of how Franklin Roosevelt, Winston Churchill and Joseph Stalin, the three iconic and vastly different Allied leaders, aligned to win World War II and created a new world order. By the end of World War II, 59 nations were arrayed against the axis powers, but three great Allied leaders, Franklin Roosevelt, Winston Churchill and Joseph

Stalin had emerged to control the war in Europe and the Pacific Vastly different in upbringing and political beliefs they were not always in agreement or even on good terms But often led by Churchill's enduring spirit in the end these three men changed the course of history Using the remarkable letters between the three world leaders enriching narrative details of their personal lives and riveting tales of battles won and lost best selling historian Winston Groom returns to share one of the biggest stories of the 20th century The interwoven and remarkable tale and a fascinating study of leadership styles of three world leaders who fought the largest war in history **George C. Marshall: Ordeal and Hope, 1939-1942** Forrest C. Pogue, 2020-05-26 Covering the period between George C Marshall becoming Chief of Staff in September 1939 and the first military successes in 1942 Guadalcanal El Alamein Northwest Africa this volume describes how Marshall built up an army and air corps of fewer than 200 000 in 1939 with key players such as Harry Hopkins FDR's confidant Secretary of the Treasury Henry Morgenthau Secretary of War Henry Stimson President Roosevelt and Congress This work on Marshall continues to be the fine scholarly product that one expects from its author C P Stacey International Journal Dr Pogue has written a splendid account of the army high command in World War II It makes an important contribution to the history of our times and complements previously published memoirs and official histories The military specialist will be impressed by the systematic coverage Dr Pogue gives to the way in which Marshall used his staff and managed the war General readers will be fascinated by the new information provided about the characters and wartime actions of such leaders as Roosevelt Churchill MacArthur and Eisenhower This is a thoroughly satisfying book and a splendid companion to the first volume H A De Weerd The Virginia Quarterly Review The United States Sir John Dill told General Brooke has not repeat not the slightest conception of what the war means and their armed forces are more unready for war than it is possible to imagine Mr Pogue has as his subject the movement of the country from such material and spiritual limitation to the landings in North Africa and as his special thesis the contribution of General George C Marshall in the production of this remarkable transition What General Marshall did was to plan negotiate organize and above all decide Mr Pogue's narrative is lean clear and well controlled What so often he is dealing with in these pages is the resolution of endless conflicts of prejudice and interest His capacity to recognize and define the issues in debate to expose with clinical balance the motives and feelings of the debaters to weigh out honestly the merits and defects of the conclusions reached is impressive and a valuable aid to fuller understanding Mr Pogue succeeds as well in giving the reader a good feeling for the administrative situation in which General Marshall spent most of his time how policies were developed officers selected for special tasks decisions taken and all the rest of it A solidly constructed carefully developed book Elting E Morison The Journal of Southern History This second volume of Forrest Pogue's long awaited authorized biography of General George C Marshall has reached the period of Marshall's first three years as Chief of Staff when he initiated the vast expansion of the US Army for World War II Excellent footnotes and detailed appendixes interviews and bibliographical notes will ensure Pogue's Marshall a permanent place in

US military history and biography Trumbull Higgins The American Historical Review **The Western European and Mediterranean Theaters in World War II** Donal Sexton,2011-10-06 The Western European and Mediterranean Theaters in World War II is a concise comprehensive guide for students teachers and history buffs of the Second World War With an emphasis on the American forces in these theaters each entry is accompanied by a brief annotation that will allow researchers to navigate through the vast amount of literature on the campaigns fought in these regions with ease Focusing on all aspects surrounding the U S involvement in the Western European and Mediterranean theaters including politics religion biography strategy intelligence and operations this bibliography will be a welcome addition to the collection of any academic or research library Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian **Army** ,1982 **MacArthur's War** Douglas Niles,Michael Dobson,2008-07-01 Just as Fox on the Rhine and Fox at the Front showed readers an alternate Europe in which Hitler had been killed thereby radically changing the course of World War II Douglas Niles and Michael Dobson bring us the Battle of Midway with a very different outcome The Allies are wildly out maneuvered and sent home in disgrace Back in the States things are looking rather grim as the ultra secret Manhattan Project runs into snafus that greatly delay the final production of the atomic bomb President Roosevelt s approval ratings drop dramatically Congress is desperate and the country cries out for a hero That hero might just be Douglas MacArthur who vowed that he would return to his beloved Philippines He plans to do so with the backing of the entire US Armed Forces MacArthur s plan of action is simple take the war back to the Japanese island by bloody island until standing on the shores of Japan he can proclaim victory And possibly gain the leadership of the United States as well At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **FDR At War** Nigel Hamilton,2020-08-04 The definitive biography of FDR s leadership during WWII presented here in a single volume splendid the memoir Roosevelt didn t get to write New York Times Book Review This groundbreaking three volume study of President Roosevelt s role as Commander in Chief tells the story of World War II from his perspective Using hitherto unpublished documents and interviews Hamilton rewrites the famous account of Allied strategy given by Winston Churchill in his memoirs Hamilton reveals close up and in dramatic detail Roosevelt s mastery of strategy his vision and how he overcame resistance from Churchill and his own generals to set the course for victory Mantle of Command Commander in Chief and War and Peace have been celebrated as masterly The Wall Street Journal A first class lens changing work James N Mattis former US secretary of defense
