Austin, Patrick L. Hamilton, 2019-11-05 Taking a multifaceted approach to attitudes toward race through popular culture and the American superhero All New All Different explores a topic that until now has only received more discrete examination Considering Marvel DC and lesser known texts and heroes this illuminating work charts eighty years of evolution in the portrayal of race in comics as well as in film and on television Beginning with World War II the authors trace the vexed depictions in early superhero stories considering both Asian villains and nonwhite sidekicks While the emergence of Black Panther Black Lightning Luke Cage Storm and other heroes in the 1960s and 1970s reflected a cultural revolution the book reveals how nonwhite superheroes nonetheless remained grounded in outdated assumptions Multiculturalism encouraged further diversity with 1980s superteams the minority run company Milestone s new characters in the 1990s and the arrival of Ms Marvel a Pakistani American heroine and a new Latinx Spider Man in the 2000s Concluding with contemporary efforts to make both a profit and a positive impact on society All New All Different enriches our understanding of the complex issues of racial representation in American popular culture *Super-History* Jeffrey K. Johnson, 2014-01-10 In the less than eight decades since Superman s debut in 1938 comic book superheroes have become an indispensable part of American society and the nation s dominant mythology They represent America s hopes dreams fears and needs As a form of popular literature superhero narratives have closely mirrored trends and events in the nation This study views American history from 1938 to 2010 through the lens of superhero comics revealing the spandex clad guardians to be not only fictional characters but barometers of the place and time in which they reside Instructors considering this book for use in a course may request an examination copy here **Daredevil Battles Hitler 1** Comic House, 2015-11-04 DAREDEVIL COMICS No 1 Daredevil crashes in on a meeting at Berchtesgaden in which Hitler makes final plans to invade England across the Channel then has to evade Nazi soldiers seeking to locate and kill him Meanwhile British Prime Minister Churchill meets with Daredevil and the Silver Streak and assigns them to watch a mysterious cottage on the Downs which leads to an all out naval battle with the enemy Daredevil was created by Jack Binder and Don Rico It should be noted that the name of Daredevil being used by Marvel Comics and the copyright and trademark of the name is questionable However while the character of Bart Hill is original the name of Daredevil has not been used on the covers of comics due to the possible conflict of interest or trademark infringement The original Golden Age Daredevil debuted in Silver Streak Comics Daredevil fought an epic war against The Claw in the 1940s in his own long running title Prior to the U S being involved in World War II The Claw once allied himself with Adolf Hitler This prompted Daredevil to team up with the Silver Streak and other heroes to fight against the combined forces of the Nazis and The Claw Later on Daredevil found himself a group of sidekicks called the Little Wise Guys **Comic**
