Lovecraft** Donald Tyson,2010-11-08 Occult scholar Donald Tyson plumbs the depths of H P Lovecraft s cosmic visions and horrific dream world to examine warts and all the strange life of the man who created the Necronomicon and the Cthulhu mythos Lovecraft expressed disdain for magic and religion and most of his biographers have dismissed the mystical side of his nature This book redresses this imbalance Here you will find the roots of Lovecraft extraordinary cosmic vision laid bare The dream world sources for his mythic Old Ones are examined along with the practical esoteric implications of Lovecraft s unique mythology A man in fundamental conflict with himself Lovecraft lived always on the brink of madness or suicide Tyson reveals Lovecraft for what he truly was a dreamer an astral traveler and the prophet of a New Age Praise The Dream World of H P Lovecraft is a thought provoking and intellectually stimulating book Its fusion of sound biographical knowledge and critical insight makes it a must read for Lovecraftians S T Joshi Leading Authority on H P Lovecraft **The Demonology of King James I** Donald Tyson,2025-05-23 Written by King James I and published in 1597 the original edition of Demonology is widely regarded as one of the most interesting and controversial religious writings in history yet because it is written in the language of its day it has been notoriously difficult to understand Now occult scholar Donald Tyson has modernized and annotated the original text making this historically important work accessible to contemporary readers Also deciphered here for the first time is the anonymous tract News from Scotland an account of the North Berwick witch trials over which King James presided Tyson examines King James obsession with witches and their alleged attempts on his life and offers a knowledgeable and sympathetic look at the details of magick and witchcraft in the Jacobean period Demonology features historical woodcut illustrations and includes the original old English texts in their entirety This reference work is the key to an essential source text on seventeenth century witchcraft and the Scottish witch trials **Magic, Monsters, and Make-Believe Heroes** Douglas E. Cowan,2019-02-26 Magic Monsters and Make Believe Heroes looks at fantasy film television and participative culture as evidence of our ongoing need for a mythic vision for stories larger than ourselves into which we write ourselves and through which we can become the heroes of our own story Why do we tell and retell the same stories over and over when we know they can t possibly be true Contrary to popular belief it s not because pop culture has run out of good ideas Rather it is precisely because these stories are so fantastic some resonating so deeply that we elevate them to the status of religion Illuminating everything from Buffy the Vampire Slayer to Dungeons and Dragons and from Drunken Master to Mad Max Douglas E Cowan offers a modern manifesto for why and how mythology remains a vital force today **Witch's Book of Shadows** Jason Mankey,2017-02-08 Discover the fascinating history tradition and modern uses of the Book of Shadows This fun and easy to use guide provides essential information on

The Forbidden Body Douglas E. Cowan,2022-05-17 From creature features to indie horror flicks find out what happens when sex horror and the religious imagination come together Throughout history religion has attempted to control nothing so much as our bodies what they are

and what they mean what we do with them with whom and under what circumstances how they may be displayed or more commonly how they must be hidden Yet we remain fascinated obsessed even by bodies that have left or been forced out of their proper place The Forbidden Body examines how horror culture treats these bodies exploring the dark spaces where sex and the sexual body come together with religious belief and tales of terror Taking a broad approach not limited to horror cinema or popular fiction but embracing also literary horror weird fiction graphic storytelling visual arts and participative culture Douglas E Cowan explores how fears of bodies that are tainted impure or sexually deviant are made visible and reinforced through popular horror tropes The volume challenges the reader to move beyond preconceived notions of religion in order to decipher the religious imagination at play in the scary stories we tell over and over again Cowan argues that stories of religious bodies out of place are so compelling because they force us to consider questions that religious belief cannot comfortably answer Who are we Where do we come from Why do we suffer And above all do we matter As illuminating as it is unsettling The Forbidden Body offers a fascinating look at how and why we imagine bodies in all the wrong places
