Nehru Political Judith M Brown:

Nehru Judith M. Brown, 2014-06-17 Judith Brown explores Nehru as a figure of power and provides an assessment of his leadership at the head of a newly independent India with no tradition of democratic politics Nehru Judith Margaret Brown, 2000 Here is a study of a key twentieth century statesman Jawaharlal Nehru 1889 1964 one of the Indian nationalists who led India to independence in 1947 and as Prime Minister from 1947 until his death steered her through her early formative years as one of the world's great nations This is not a biography of Nehru though the biographical details are clearly set out but a study of Nehru as a figure of power In it Judith M Brown explores a number of related themes This account will reward anyone interested in the making of our modern world One of its rewards is the general introduction it provides to the society and politics of India in the early and middle years of the century *Nehru's Bandung* Andrea Benvenuti, 2024-06-01 The history of an Indian vision for Asian peace driven by the energy of Prime Minister Nehru and the pressures of the early Cold War *The Secular Imaginary* Sushmita Nath, 2022-11-10 Given the popularity and success of the Hindu Right in India's electoral politics today how may one study ostensibly Western concepts and ideas such as the secular and its family of cognates like secularism secularisation and secularity in non Western societies without assuming them simply as derivative or colonial legacies or contrast cases of Western societies While recognizing that the dominant language of political modernity of Western societies is not easily translatable in non Western societies The Secular Imaginary elaborates upon an intellectual history of secularity in modern India by focusing on the two most influential political leaders M K Gandhi and Jawaharlal Nehru It is an intellectual history of both ideas and intellectuals which sheds light on Indian narratives of secularity the Gandhian sarva dharma samabhava Nehruvian secularism and unity in diversity It revisits this dominant narrative of secularity of the twentieth century that influenced and shaped the imagination of the modern nation state **Crossroads and Cultures, Volume C: Since 1750** Bonnie G. Smith, Marc Van De Mieroop, Richard von Glahn, Kris Lane, 2012-01-30 Crossroads and Cultures A History of the World's Peoples incorporates the best current cultural history into a fresh and original narrative that connects global patterns of development with life on the ground As the title Crossroads suggests this new synthesis highlights the places and times where people exchanged goods and commodities shared innovations and ideas waged war and spread disease and in doing so joined their lives to the broad sweep of global history Students benefit from a strong pedagogical design abundant maps and images and special features that heighten the narrative's attention to the lives and voices of the world's peoples Test drive a chapter today Find out how **The Cold War in South Asia** Paul M. McGarr, 2013-08 This book traces the rise and fall of Anglo American relations with India and Pakistan from independence in the 1940s to the 1960s *The China-India Rivalry in the Globalization Era* T.V. Paul, 2018-09-03 As the aspirations of the two rising Asian powers collide the China India rivalry is likely to shape twenty first century international politics in the region and far beyond This volume by T V Paul and an international group of leading

scholars examines whether the rivalry between the two countries that began in the 1950s will intensify or dissipate in the twenty first century The China India relationship is important to analyze because past experience has shown that when two rising great powers share a border the relationship is volatile and potentially dangerous India and China s relationship faces a number of challenges including multiple border disputes that periodically flare up division over the status of Tibet and the Dalai Lama the strategic challenge to India posed by China s close relationship with Pakistan the Chinese navy s greater presence in the Indian Ocean and the two states competition for natural resources Despite these irritants however both countries agree on issues such as global financial reforms and climate change and have much to gain from increasing trade and investment so there are reasons for optimism as well as pessimism The contributors to this volume answer the following questions What explains the peculiar contours of this rivalry What influence does accelerated globalization especially increased trade and investment have on this rivalry What impact do US China competition and China s expanding navy have on this rivalry Under what conditions will it escalate or end The China India Rivalry in the Globalization Era will be of great interest to students scholars and policymakers concerned with Indian and Chinese foreign policy and Asian security

Gandhi's Global Legacy Veena R. Howard, 2022-11-30 While there has been sustained interest in Gandhi s methods and continued academic inquiry Gandhi s Global Legacy Moral Methods and Modern Challenges is unique in bringing together an interdisciplinary group of scholars who analyze Gandhi s tactics moral methods and philosophical principles not just in the fields of social and political activism but in the areas of philosophy religion literature economics health international relations and interpersonal communication Bringing this wide range of disciplinary backgrounds the contributors provide fresh perspectives on Gandhi s thought and practice as well as critical analyses of his work and its contemporary relevance Edited by Veena R Howard this book reveals the need for reconstructing Gandhi s ideas and moral methods in today s context through a broad spectrum of crucial issues including pacifism health communal living gender dynamics the role of anger and peacebuilding Gandhi s methods have been refined and reimaged to fit different situations but there remains a need to consider his concept of Sarvodaya uplift of all the importance of economic gender and racial equity as well as the value of dialogue and dissenting voices in building a just society The book points to new directions for the study of Gandhi in the globalized world

Hungry Nation Benjamin Robert Siegel, 2018-04-26 Independent India s struggle to overcome famine hunger and malnutrition as told through the voices of politicians planners and citizens alike

Political Leadership, Nascent Statehood and Democracy Ulrika Möller, Isabell Schierenbeck, 2014-06-05 Do political leaders determine whether a polity will receive a democratic future or not Research and advocates of democracy agree on the significance of political elites for democratization yet there is a need for a more specific understanding of their role This book develops a theory of political leadership at the point of nascent statehood to explain the emergence of resilient democracies It employs four diverse case studies to examine the role of leadership and democratic consolidation In doing so the book identifies certain capacities of

political leaders at the critical moment of nascent statehood as decisive to the future democratic quality of their state This book will be of interest to students and scholars of international relations democratization studies state building leadership nationalism Middle Eastern studies and South Asian studies A Technological History of Cold-War India, 1947-1969 William A.T. Logan,2021-11-01 This book provides a technological history of modern India in particular the Nehruvian development in the context of the Cold War Through a series of case studies about military modernization transportation infrastructure and electric power it examines how the ideals of autarky and technological indigenization conflicted with the economic and political realities of the Cold War world Where other studies tend to focus on the political leaders and economists who oversaw development this book demonstrates how the perspective of the engineers government bureaucrats and aid workers informed and ultimately implemented development **The Commonwealth of Nations** W. David McIntyre,1977 The author a professor of history at the University of Canterbury Christchurch New Zealand presents a comprehensive survey of Commonwealth history from the time of soul searching about the future of the British Empire which marked the middle years of Queen Victoria s reign to the year when Britain decided to enter the European Community The account is divided in three periods 1869 to 1917 1917 to 1941 and 1942 to 1971 Within each period a four fold thematic divisions is followed Dominions Indian Empire crown colonies and protectorates The Reputational Imperative Mahesh Shankar,2018-09-25 India s first prime minister Jawaharlal Nehru left behind a legacy of both great achievements and surprising defeats Most notably he failed to resolve the Kashmir dispute with Pakistan and the territorial conflict with China In the fifty years since Nehru s death much ink has been spilled trying to understand the decisions behind these puzzling foreign policy missteps Mahesh Shankar cuts through the surrounding debates about nationalism idealism power and security with a compelling and novel answer reputation India s investment in its international image powerfully shaped the state s negotiation and bargaining tactics during this period The Reputational Imperative proves that reputation is not only a significant driver in these conflicts but also that it s about more than simply looking good on the global stage Considerations such as India s relative position of strength or weakness and the value of demonstrating resolve or generosity also influenced strategy and foreign policy Shankar answers longstanding questions about Nehru s territorial negotiations while also providing a deeper understanding of how a state s global image works The Reputational Imperative highlights the pivotal yet often overlooked role reputation can play in a broad global security context **Becoming International** Jens Bartelson,2023-10-26 Provides a new historical account of the rise and spread of the modern international system

Europe after Empire Elizabeth Buettner,2016-03-24 Europe after Empire is a pioneering comparative history of European decolonization from the formal ending of empires to the postcolonial European present Elizabeth Buettner charts the long term development of post war decolonization processes as well as the histories of inward and return migration from former empires which followed She shows that not only were former colonies remade as a result of the path to decolonization

so too was Western Europe with imperial traces scattered throughout popular and elite cultures consumer goods religious life political formations and ideological terrains People were also inwardly mobile including not simply Europeans returning home but Asians Africans West Indians and others who made their way to Europe to forge new lives The result is a Europe fundamentally transformed by multicultural diversity and cultural hybridity and by the destabilization of assumptions about race culture and the meanings of place and where imperial legacies and memories live on **New Statesman**, 2003 **In the Shadow of Fear** Nick Bunker, 2023-10-03 An evocative portrait of a divided America at the dawn of the Cold War Halfway through the twentieth century the United States towered over the world in industrial might After winning the 1948 election Harry Truman hoped to use this economic strength to build on FDR's achievements with new liberal reforms But then in just ten months between September 1949 and June 1950 the president's ambitions were overtaken by events that left the country gripped by rage and fear The Soviets tested an atomic bomb Mao's army swept through China and at home Truman faced labor unrest and a Republican Party desperate for power In the Shadow of Fear is an innovative and gripping history of this pivotal moment Recounting the launch of Senator Joe McCarthy's anti communist crusade the defeat of Truman's liberal program and the start of the Korean War prizewinning historian Nick Bunker shows us a polarized nation facing crises at home and abroad a story with deep resonances today [A History of Modern South Asia](#) Ian Talbot, 2016-01-01 TWELVE Pakistan's National Crisis and the Birth of Bangladesh THIRTEEN Bangladesh Since Independence FOURTEEN Pakistan Since 1971 FIFTEEN India Shining SIXTEEN The Contemporary International Relations of South Asia Chronology Notes Glossary Bibliography Illustration Credits Index A B C D E F G H I J K L M N O P Q R S T U V W Y Z [Glittering Decades](#) Nayantara Pothen, 2012-01-30 New Delhi was purpose built to trumpet the supremacy of the British Raj and inaugurated in 1931 Instead it came to represent a fading imperial dream in the two decades that followed In the heyday of the British Raj strict social and racial hierarchies governed the social life of the city's ruling elites And the frivolity of New Delhi's high society was kept in check by a faithful adherence to etiquette and protocol in everyday life For example the sixteen button glove at a formal viceregal dinner party was of great importance as a means of maintaining the authority of the Raj But the 1930s and 1940s were a period of transition The political shifts associated with India's journey to self government echoed in the social codes of conduct adopted by the Indian elites of New Delhi and undermining the Raj's pomp became a legitimate means of challenging its authority Closely examining the role of social ritual interaction and behaviour in the shaping of the city and its elite groups Glittering Decades tells the story of New Delhi and its privileged inhabitants between 1931 and 1952 *Gandhi's Moral Politics* Naren Nanda, 2017-12-06 This volume explores the scope and limits of Mahatma Gandhi's moral politics and its implications for Indian and other freedom movements It presents a set of enlightening essays based on lectures delivered in memory of the eminent historian B R Nanda along with a new introductory essay With contributions by leading historians and Gandhi scholars the book provides new perspectives on the limits of

Gandhi's moral reasoning his role in the choice of destination by Indian Muslim refugees his waning influence over political events and his predicament amid the violence and turmoil in the years immediately preceding partition The work brings together wide ranging insights on Gandhi and revisits his religious views which were the foundation of his morality in politics his experience of civil disobedience and its nature deployment and limits Satyagraha and non violence and his struggle for civil rights The volume also examines how Gandhi's South African phase contributed to his later ideas on private property and self sacrifice This book will be of immense interest to researchers and scholars of modern Indian history Gandhi studies political science peace and conflict studies South Asian studies to researchers and scholars of media and journalism and to the informed general reader

Getting the books **Nehru Political Judith M Brown** now is not type of inspiring means.
