Rosenbaum,1994 **Neighbor Power** Jim A. Diers,2014-07-01 Building on the lessons of early labor leaders civil rights volunteers and political activists Jim Diers has developed his own models and successful strategies for community development Neighbor Power chronicles his involvement with Seattle s communities This book not only gives hope that participatory democracy is possible but it offers practical applications and invaluable lessons for ordinary caring citizens who want to make a difference It also provides government officials with inspiring stories and proven programs to help them embrace citizen activists as true partners Diers

s experience is extensive He began as a community organizer in 1976 then moved on to help establish and staff a system of consumer elected medical center councils This led him to Seattle city government where he served under three mayors as the first director of the Department of Neighborhoods recognized as the national leader in such efforts In the 1990s Jim Diers helped Seattle neighborhoods face challenges ranging from gang violence to urban growth The Neighborhood Matching Fund grew to support over 400 community self help projects each year while a community driven planning process involved 30 000 people Diers provides evidence that productive community life is thriving not just in Seattle Washington but in towns and cities across the globe Both practical and inspiring Neighbor Power offers real life examples of how to build active creative neighborhoods and enjoy the rich results of community empowerment

Cooperatives in New Orleans Anne Gessler,2020-06-04 Cooperatives have been central to the development of New Orleans Anne Gessler asserts that local cooperatives have reshaped its built environment by changing where people interact and with whom helping them collapse social hierarchies and envision new political systems Gessler tracks many neighborhood cooperatives spanning from the 1890s to the present whose alliances with union consumer and social justice activists animated successive generations of regional networks and stimulated urban growth in New Orleans Studying alternative forms of social organization within the city s multiple integrated spaces women people of color and laborers blended neighborhood based African Caribbean and European communal activism with international cooperative principles to democratize exploitative systems of consumption production and exchange From utopian socialist workers unions and Rochdale grocery stores to black liberationist theater collectives and community gardens these cooperative entities integrated marginalized residents into democratic governance while equally distributing profits among members Besides economic development neighborhood cooperatives participated in heady debates over urban land use applying egalitarian cooperative principles to modernize New Orleans s crumbling infrastructure monopolistic food distribution systems and spotty welfare programs As Gessler indicates cooperative activists deployed street level subsistence tactics to mobilize continual waves of ordinary people seizing control over mainstream economic and political institutions
