In this Gaiman's first book of short stories, his imagination and supreme artistry transform a mundane world into a place of terrible wonders, a place where an old woman can purchase the Holy Grail at a thrift store, where assassins advertise their services in the Yellow Pages under Pest Control, and where a frightened young boy must barter for his life with a mean-spirited troll living beneath a bridge by the railroad tracks. Explore a new reality obscured by smoke and darkness yet brilliantly tangible in this extraordinary collection of short works by a master prestidigitator. It will dazzle your senses, touch your heart, and haunt your dreams.
