Special Deluxe Neil Young, 2015-12 Quirky and wonderfully candid Neil Young's second book of reminiscences is as compelling as his first book He returns with more unforgettable stories about his six decades in the music business but this is not your average rock biography He centres this work on one of his life's passions cars using the framework of all the cars he's ever owned to construct a narrative of his life and career exploring and demonstrating how memories are attached to objects Young also expresses regret for the environmental impact of his past cars and now passionately advocates the use of clean energy Special Deluxe is a mix of memoir and environmental politics by one of the most gifted and influential artists of our time

**Joni on Joni** Susan Whitall, 2018-11-06 Few artists are as intriguing as Joni Mitchell She was a solidly middle class buttoned up bohemian an anti feminist who loved men but scorned free love a female warrior taking on the male music establishment She was both the party girl with torn stockings and the sensitive poet She often said she would be criticized for staying the same or changing so why not take the less boring option Her earthy poetic lyrics the geese in chevron flight in Urge for Going the phrases that are now part of the culture They paved paradise put up a parking lot and the unusual melodic intervals traced by that lissome voice earned her the status of a pop legend Fearless experimentation ensured that she will also be seen as one of the most important musicians of the twentieth century Joni on Joni is an authoritative chronologically arranged anthology of some of Mitchell's most illuminating interviews spanning the years 1966 to 2014 It includes revealing pieces from her early years in Canada and Detroit along with influential articles such as Cameron Crowe's never before anthologized Rolling Stone piece Interspersed throughout the book are key quotes from dozens of additional Q & A's Together this material paints a revealing picture of the artist bragging and scornful philosophical and deep but also a beguiling flirt
