The Nestlé Brand Identity applies to the Nestlé company, as represented at the Center (Nestlé S.A., Société des Produits Nestlé Ltd.) or by an Operating Company in a Market. It is used whenever it represents the interests or activities of the company as a whole.

It applies to any touchpoint where the Nestlé Brand engages with stakeholders, such as company premises, stationary, presentations or social media channels.

Use of the Nestlé Brand Identity is not extended to independent third parties (e.g. agents and long-standing suppliers). When Nestlé logos or other references are used in these cases, the third-party relationship to Nestlé should be clear and unambiguous.

As a general guiding principle, and for any application not expressly mentioned here, the use of the Nestlé Brand Identity must always align with the Nestlé Brand Essence and correspond to a consistent corporate behavior pattern.
