

The background is a complex, abstract illustration of neural or biological structures. It features a central, large, star-shaped cell body with multiple branching processes extending outwards. These processes are rendered in a translucent, ethereal style with a color gradient ranging from deep reds and oranges to bright blues and purples. Several points along these branches and within the central body are highlighted with bright, glowing light effects, suggesting electrical activity or energy flow. The overall composition is dense and intricate, with many smaller, similar structures visible in the background, creating a sense of a vast, interconnected network.
