Nursing Student's Guide to Clinical Success Lorene Payne, 2010-01-08 The Nursing Student's Guide to Clinical Success is the perfect resource for undergraduate nursing students entering the clinical side of their education. This text helps students better understand their role as a health care provider by preparing them for what they will encounter on the clinical floor in hospital or other health care setting. The first text of its kind, this shows students how to get the most out of a clinical experience.

Supervising and Assessing Student Nurses and Midwives in Clinical Practice Jacqueline Leigh, Debbie Roberts, 2021-02-19 Supervising and Assessing Student Nurses and Midwives in Clinical Practice is a practical guide for healthcare practitioners responsible for the supervision and assessment of students. The book is designed to help practice supervisors and practice assessors to identify and plan for a range of learning opportunities to consider what is possible for learning and assessment in their area to get ready for and deliver the best learning experiences that they can to prepare students for their role as future nurses and midwives. Activities, top tips, examples, and scenarios all help the reader to set the principles in context and to support students in achieving the NMC's standards of proficiency. Covering the learning environment and culture, interprofessional supervision, coaching models, and feedback methods, and types of assessment, simulation-based learning, and the future of practice learning, the book aims to help individuals and organisations to create the best environment for supporting supervising and assessing students in practice. This is a contemporary text that is truly a practical guide that steers and supports. It is written in an accessible and user-friendly way, helping the reader see through the complexities that are inherently associated with practice assessment. I sincerely recommend this book to students and practitioners who learn and practise together with the overall goal of offering high quality care that is safe and effective.
