## **Needless Casualties Of War:**

*Needless Casualties of War* John Paul Jackson, 1999 Some previous printings also bear this ISBN but with slightly differing bibliographical details *What Really Causes Needless Casualties of War?* Jonathan Paul Brenneman, 2017-08-23 Has God given his people authority over evil powers that oppress cities and nations Or have we only been authorized to cast demons out of individuals A problem came to the forefront in Christian circles in the 1990s Believers were suffering devastating demonic attack after attempting to assault regional principalities As a result of these negative and even scary experiences many concluded that God never gave us authority over these evil powers in the first place Jonathan Brenneman re examines that assessment While drawing from the lessons learned by previous leaders of the spiritual warfare movement he also challenges many deep rooted assumptions He brings to light serious scriptural problems with the position that Christians only have limited authority over Satan s power Rather than dismissing the problem of needless casualties he offers a re diagnosis of the cause Readers are saying this teaching has removed the fear and confusion surrounding the topic of spiritual warfare It also includes Modern day testimonies of overcoming severe demonic attack and the lessons learned Scriptural and historical examples of a single righteous person displacing a principality Testimonies of God s kingdom advancing regionally as Christians confront and trample on principalities How to trample on principalities Several problems with trying to distinguish between evil spirits in the second heaven and those on earth Why there are no levels of authority over Satan for Christians only all authority How Christians sometimes mentally acknowledge gospel truths but don t act accordingly How we leave a gospel position and thus become vulnerable to attack by trying to break the devil s power Why the devil has no legal rights and the difference between a legal right and a foothold How the legal approach to the demonic realm makes us vulnerable to attack How identificational repentance initiatives although bringing healing and reconciliation have been misunderstood How fear can make us vulnerable to demonic attack How to avoid the trap of practicing the presence of demons Why a heavy spiritual atmosphere is a lie Why heavy emphasis on amassing a spiritual army has become unbalanced and falls short of scripture Lone rangers of the Bible Why we should reconsider warnings about mocking Satan Should we bind territorial spirits Is our sword any different than the sword of the Lord What Really Causes Needless Casualties Of War is practical and encouraging rooted in both scripture and experience Stimulating fresh thinking it leads to a renewed vision for what God is able to do on the earth through Christ s body the church [Decoding the Mysteries of Heaven's War Room](#) Jennifer LeClaire, 2021-02-16 A Heavenly Revelation of Spiritual Warfare Secrets Jennifer LeClaire globally recognized prophet spiritual warfare trainer and prayer leader received a vivid visionary encounter in the War Room of Heaven In this vision I saw a veil rip open from the top to bottom As I peered behind the veil I saw a long walkway with [Lucifer's War](#) Linda Rios Brook, 2012-10-02 Something Has Gone Terribly Wrong in Our World Two thousand years after the cross evil continues to brutalize and pillage in every nation and no one appears able to do very much about it Why has the

church made so little progress While Satan lost his authority to rule on the earth he did not lose his power Failure to recognize this crucial difference has caused us to miss the point as to what the war over the planet is about and therefore what we must do to win it Lucifer s War offers a detailed historical examination of Satan the demon gods who are aligned with him and their ancient struggle with God over humanity While the church is the only agency on earth authorized by Jesus to deal with evil at its root cause believers must acknowledge what has not worked and pursue a different strategy that will This book will change the way you pray equip you to understand the times we are living in and prepare you for what may happen next and what you can do about it      *Warfare Prayer* C. Peter Wagner,2009-10-28 Warfare Prayer provides a toolbox and an operator s manual for those who take seriously the Apostle Paul s statement that we wrestle not against flesh and blood but against principalities and powers The demonic world around us is a reality but all too few believers understand that realm of darkness to say nothing of having the skills to use effectively the weapons of warfare that God has given us Based on a combination of sound biblical theology and real life experiences this book is a user friendly guide for those committed enough to join the army of God      *Major Spiritual Warfare and Deliverance Ministry Principles* Eric Gondwe,2006-11-11 255 pages Please note This is the Second Edition of the book Third Editions are now available in two separate books one on Spiritual Warfare Principles and another on Christian Deliverance Principles Third editions are extensively revised and updated versions due to reader recommendations on additional content To go to the third editions please click on the author s name above or click on the appropriate book title link above depending on which page you re on      *101 Tactics for Spiritual Warfare* Jennifer LeClaire,2018 What To Do When All Hell Breaks Loose Let s face it when the enemy attacks it can be hard to remember which way is up Demonic forces can come in like a flood and disorient your mind They can drown you in hopelessness Or you may be tempted to turn a blind eye to the spirits that intend to kill steal and destroy you But let it be known the devil still wreaks havoc on the earth today and followers of Christ must use Spirit inspired strategies to drive him out You need a battle plan You need specific tactics for specific skirmishes because whether or not you know it you are in a war Offering both scriptures and prayers 101 Tactics for Spiritual Warfare will empower you to take on an offensive rather than a defensive stance against the enemy This book addresses how to Deal with demons from your past Break the stronghold of worry Submit your emotions to the Holy Spirit Take authority over the enemy Jennifer LeClaire offers a practical battlefield manual that will remind you of the things one often forgets in the face of an enemy onslaught Find rest in the midst of spiritual storms break the power of Satan s devices and live a life of victory      [Star Wars: Engaging the Heavens in End-Time Warfare](#) Oluwadare Adebajo (author),2021-03-11 Our world is hurtling towards a momentous climax The opposing hordes of darkness are fighting for their very lives with all the bitterness and defiance they can muster because they realize that the close of the age is upon them As they draw upon their last reserves of strength the methods and measures of warfare that the Church has known are being stretched thus the Church must be equipped with the knowledge

of the kind of warfare this season calls us to and what weapons we have been provided with by heaven to rout the enemy and his minions Star Wars Engaging the Heavens in End time Warfare is a word in season that unpacks the counsel of God for believers to arise in the glory and power of Christ's ordination and release the judgement written upon all the enemies of God The author through this book unveils deep mysteries that are set to cause a major shift redefine spiritual warfare and recalibrate the church into alignment with her destiny as was determined before the fall of creation The book goes into the heart of the Father to download from the original blueprint of creation that mankind deviated from when Adam fell from glory heights It stirs and redirects the heart of the reader away from the activities of the old wineskin which are not rooted in the pursuit of kingdom purpose and destiny fulfilment to focused alignment with kingdom activities that fulfil destiny as originally intended by God

**War and Television** Bruce Cumings, 1992 Television has come to play an ever more decisive role in the preparation and planning of war as well as in its execution In War and Television Bruce Cumings carefully explores the history of television's relationship to US warmaking since World War II up to and including its presentation of the carnage in Kuwait and Iraq Cumings examines Vietnam long thought to have been the first television war but finds that characterization more apt for the Gulf conflict which was fought through packaged by and sold to the public on television At the centre of the book is the extraordinary tale of Cumings's own experience as historical consultant to a Thames Television production Korea The Unknown War and his subsequent trials with the Public Broadcasting System when the film was released for North American distribution
