Walch,Stephan M. Mardyks,Joerg Schmitz,2017-11-20 Master the art of getting what you need with a more collaborative approach to negotiation Quantum Negotiation is a handbook for getting what you need using a mindset and behaviors based on a refreshingly expansive perspective on negotiation Rather than viewing every negotiation as an antagonistic and combative relationship this book shows you how to move beyond the traditional pseudo win win to construct a deal in which all parties

get what they need By exploring who we are as negotiators in the context of social conditioning this model examines the cognitive psychological social physical and spiritual aspects of negotiation to help you produce more sustainable prosperous and satisfying agreements We often think of negotiation as taking place in a boardroom a car dealership or any other contract centered situation in reality we are negotiating every time we ask for something we need or want Building more robust negotiation behaviors that resonate beyond the boardroom requires a deep engagement with others and a clear mindset of interdependence This book helps you shift your perspective and build these important skills through a journey of discovery reflection and action Rethink your assumptions about negotiations your self perception your counterpart and the overall relationship Adopt new tools that clarify what you want why you need it and how your counterpart can also get what they want and need Challenge fundamental world views related to negotiation and shift from adversarial to engaging and satisfying Understand the unseen forces at work in any negotiation and prevent them from derailing your success In the interest of creating an environment that elevates everyone's participation and assists them in reaching their full potential Quantum Negotiation addresses the reality of hardball and coercion with a focus on engaging the human spirit to create new opportunities and resources
