Neither Poverty Nor Riches Craig L Blomberg,2020-05-21 One of the most difficult questions facing us today is that of the proper attitude toward possessions In wealthy nations such as Britain and the USA individuals accumulate much and yet are daily exposed to the plight of the poor whether the homeless on their own city streets or starving children on their TV screens What action should they take on behalf of the poor What should they do with their own possessions In Neither Poverty nor Riches Craig Blomberg asks what the Bible has to say to these issues He avoids easy answers and instead seeks a comprehensive biblical theology of possessions Beginning with the groundwork laid by the Old Testament and the ideas developed in the intertestamental period he draws out what the whole New Testament has to say on the subject and finally offers conclusions and applications relevant to the modern world This is a book that all concerned with issues of poverty and wealth should read **Neither Poverty Nor Riches** Craig L. Hoag, 2015-10-16 Scholars are divided in their views about the teachings on riches in 1 Timothy Evidence that has been largely overlooked in NT scholarship appears in Ephesiaca by Xenophon of Ephesus and suggests that the topic be revisited

Recently dated to the mid first century C E Ephesiaca brings to life what is known from ancient sources about the social setting and cultural rules of the wealthy in Ephesus and provides details that enhance our knowledge of life and society in that place and time In this volume Hoag introduces Ephesiaca and employs a socio rhetorical methodology to explore it alongside other ancient evidence and five passages in 1 Timothy 2 9 15 3 1 13 6 1 2a 6 2b 10 and 6 17 19 His findings augment our modern conception of the Sitz im Leben of the wealthy in Ephesus Additionally because Ephesiaca contains some rare terms and themes that are found in 1 Timothy this groundbreaking research offers fresh insight for biblical reading and interpretation *God at Work* David W.
