Modern Magic. Professor Hoffmann, 2019-05-06 The demand for a second edition of this work affords me an opportunity of thanking my numerous correspondents for their friendly expressions and at the same time of noticing the very generally expressed desire that I should extend my revelations to the specialities of Messrs Maskelyne and Cooke and M Buatier This however as will be seen on reflection would be extremely unfair towards those gentlemen A first class stage trick has frequently taken months or even years to bring to perfection and while it remains a novelty has a high commercial value I have purposely limited my disclosures to such illusions as have been sufficiently long before the public to be fairly regarded as common property Within this limit I have endeavoured to make my explanations as complete as possible but to go beyond it would be to infringe a moral copyright and to deprive gentlemen to whom Modern Magic is especially indebted of the well earned fruits of their labour and invention **Treatise on Modern Magic** Professor Hoffmann, 2020-12-17 Treatise on Modern Magic is a treatise in book form detailing the apparatus methods and tricks used by the magicians and conjurors It was the first book in the English language to really explain how to perform magical feats The treatise contains advice on the appearance the dress and the staging of a magician It then goes on to describe many tricks with playing cards coins watches rings handkerchiefs dominoes dice cups balls and hats and concludes with a long chapter of miscellaneous tricks including magic with strings gloves eggs rice and some utility devices The penultimate chapter describes large stage illusions and the final chapter contains advice on routining a magic show as well as more advice on staging *The Boys' Book of Magic: The Art of Conjuring Explained and Illustrated* Various, 2011-03-23 Dating back to the 1930s this illustrated compendium of magic tricks offers lots of practical instructions and advice for beginners and provides some interesting information on the history
