

The background of the cover is a photograph of a person from the chest up, wearing a dark grey suit, a white collared shirt, and a striped tie. Instead of a head, there is a light blue, boxy robotic head. The robot has two red circular lights for eyes, a small yellow rectangular display in the middle of its face, and a larger square screen on its chest showing a gauge with a needle. The person's hands are visible at the bottom, palms up, as if presenting the robot.
