

Danielson 2014-15 Rubric

Adapted to New York Department of Education Framework for Teaching Components

Although the rubric language in this copy remains the same as the NYC "Official" copy, it includes the introduction to how the rubric has changed since its original publication. The margins and font sizes have been changed to save paper. Color/Shading was added to help the user navigate between the sections.

At the end of the document, there are two strategically placed "cheat sheets." One is for quickly identifying the components by Domains 1 & 4 and the other for Domains 2 & 3. Danielson's key elements for the components are included. This provides a more summative and accurate description of the components than others using performance indicators.

Digital copies of this reformatted rubric and the DOE released one are available on our website, www.OPN187.org.
