Throughout Scripture God reveals His complex character by identifying Himself by different names—names that shed light on who He is and how we should relate to Him. In this engaging book the popular Girlfriends in God devotional team introduces you to forty of those names, each of which invites you to glory in a different aspect of our amazing God. In each day's reading you'll encounter personal inspiring stories and biblical truths that lead you to a deeper understanding of who God is and what He does on your behalf. You'll be fed with Scripture that you can apply to your unique circumstances. And most important, as you come to know Him by name, you'll draw closer to God and learn to trust Him more fully. Perfect for personal study and for discussing with girlfriends, prayer partners, or small groups, this eight-week daily devotional features a weekly guide to deeper study, reflection, and prayer, creative ideas to help you apply new insights, journaling pages, a pronunciation guide for God's Hebrew and Greek names. Begin today with **Knowing God by Name** and grow closer to the One who knows you by name. **Knowing God by Name** opens our eyes to the many facets of God's love and mercy, letting us see Him more clearly and know Him more deeply. Liz Curtis Higgs, author of *The Girl's Still Got It*. **Ugly** Anita Bhagwandas, 2023-02-16 We've all had those moments—the ones where you look in the mirror and nothing feels ok. For Anita Bhagwandas, this started when she was a child, and it created an enduring internal torment about her looks. We're all told that this is just part of growing up, but it stays with us, evolving as we age. The internet tells us we should love ourselves while bombarding us with images of airbrushed perfection, upholding centuries-old beauty standards which we can't always see. Our beauty rituals are so often based around things we think we need to fix, grow, and develop, sometimes tipping into dangerous obsession. So what seismic shift does it take to break free from this mentality? In *Ugly*, Anita uncovers where these beauty standards started, unpicks why they've been perpetuated, and unmasks the structures that continue to support them. From the ever-growing cosmetic surgery industry to the hidden pitfalls of "pretty privilege," it is time to finally break free from those limiting beauty standards because feeling ugly should have nothing to do with how we look, and everything to do with who wants us to feel lacking. **WHICH GOSPEL PERFECTS CHRISTIANS?** Rev.
