Obsessed With Taylor James:

Obsessed with Taylor James Toye Lawson Brown, 2013-12 Dillon Stevenson and Taylor James are young carefree and practice law at the prestigious law firm of Cartwright Associates LLP specializing in complex litigation The two were not just colleagues but best friends that grew up together in the same neighborhood and attended the same high school They separated to attend different colleges after graduation where somehow fate reunited them to practice law at the same firm Both were vying to make partner at the end of the year The two spots available for the lucrative title to be chosen by the Managing Partners had Taylor and Dillon looking to further that next step in their careers by snagging the title and larger office Until the hiring of a new attorney and an envious girlfriend upset the applecart *Flight of the Diamond Smugglers: A Tale of Pigeons, Obsession, and Greed Along Coastal South Africa* Matthew Gavin Frank, 2021-02-23 Unforgettable An outstanding adventure in its lyrical utterly compelling and heartbreaking investigations of the world of diamond smuggling Aimee Nezhukumatathil For nearly eighty years a huge portion of coastal South Africa was closed off to the public With many of its pits now deemed overmined and abandoned American journalist Matthew Gavin Frank sets out across the infamous Diamond Coast to investigate an illicit trade that supplies a global market Immediately he became intrigued by the ingenious methods used in facilitating smuggling particularly the illegal act of sneaking carrier pigeons onto mine property affixing diamonds to their feet and sending them into the air Entering Die Sperrgebiet The Forbidden Zone is like entering an eerie ghost town but Frank is surprised by the number of people willing even eager to talk with him Soon he meets Msizi a young diamond digger and his pigeon Bartholomew who helps him steal diamonds It's a deadly game pigeons are shot on sight by mine security and Msizi knows of smugglers who have disappeared because of their crimes For this Msizi blames Mr Lester an evil tall tale figure of mythic proportions From the mining towns of Alexander Bay and Port Nolloth through the halfway desert to Kleinsee's shores littered with shipwrecks Frank investigates a long overlooked story Weaving interviews with local diamond miners who raise pigeons in secret with harrowing anecdotes from former heads of security environmental managers and vigilante pigeon hunters Frank reveals how these feathered bandits became outlaws in every mining town Interwoven throughout this obsessive quest are epic legends in which pigeons and diamonds intersect such as that of Krishna's famed diamond Koh-i-Noor the Mountain of Light and that of the Cherokee serpent Uktena In these strange connections where truth forever tangles with the lore of centuries past Frank is able to contextualize the personal grief that sent him with his wife Louisa in the passenger seat on this enlightening journey across parched lands Blending elements of reportage memoir and incantation *Flight of the Diamond Smugglers* is a rare and remarkable portrait of exploitation and greed in one of the most dangerous areas of coastal South Africa With his sovereign prose and insatiable curiosity Matthew Gavin Frank reminds us that the world is a place of wonder if only we look Toby Muse *Concepts and Controversies in Obsessive-Compulsive Disorder* Jonathan S. Abramowitz, Arthur C. Houts, 2006-11-22 Few syndromes in psychopathology

generate as much popular curiosity and clinical exploration as does obsessive compulsive disorder OCD Since the 1970s research on OCD has increased exponentially Specific advances include an improved grasp of the heterogeneity of the disorder identification of putative subtyping schemes and the development of increasingly sophisticated theoretical models of the etiology and maintenance Perhaps most importantly research has led to advances in treatment and where as the erstwhile therapies cognitive behavior therapy and serotoninergic medication are not entirely effective for every sufferer they have transformed OCD from an unmanageable lifetime affliction into a treatable problem that need not reduce quality of life Despite the aforementioned advances there have emerged a number of sharp disagreements concerning OCD Differences have surfaced over phenomenological issues etiological models and approaches to treatment and often occur but not exclusively along disciplinary lines between biologically oriented and cognitive behaviorally oriented authorities For example medical approaches posit that abnormal biological processes cause OCD whereas psychosocial formulations emphasize the role of learning and dysfunctional cognitions Yet because theoretical conjecture and empirical findings from within each tradition are typically addressed toward distinct and narrow audiences clinicians researchers and students with broad interests are hindered from gaining a clear grasp of the diverse and sometimes polarized perspectives

Magnificent Obsession Anthony Slide, 2018-03-02 In Magnificent Obsession The Outrageous History of Film Buffs Collectors Scholars and Fanatics author Anthony Slide looks at the way film has dominated the minds and lives of film buffs film collectors film academics and just plain fans of past movies Based on the author's more than fifty years in the field and his personal up front knowledge of the subject chapters provide unique documentation on film buffs who once created a livelihood from their hobby including long forgotten Chaw Mank and the vast array of film clubs that he headed and New York radio and television sensation Joe Franklin The history of fans and their fan clubs are discussed as well as the first and only periodical Films in Review which catered both to film scholars and film buffs The histories of several legendary film collectors such as David Bradley and Herb Graff are featured as is Hollywood's Silent Movie Theatre where film buffs found a home from the 1940s onwards sharing it with drug dealers male prostitutes fantasists and hit men Magnificent Obsession is vast in its approach discussing the entire history of the phenomenon of the film buff from the early 1910s through the present and documenting the manner in which film buffs have changed thanks to the internet from relatively gentle and kind individuals to the obsessive sometimes overbearing and often self important film buffs of today

James Dean Transfigured Claudia Springer, 2013-05-17 After the death of James Dean in 1955 the figure of the teen rebel permeated the globe and its presence is still felt in the twenty first century Rebel iconography which does not have to resemble James Dean himself but merely incorporates his disaffected attitude has become an advertising mainstay used to sell an array of merchandise and messages Despite being overused in advertisements it still has the power to surprise when used by authors and filmmakers in innovative and provocative ways The rebel figure has mass appeal precisely because of its ambiguities it can mean anything to anyone The global appropriation of rebel iconography has invested it with fresh meanings Author Claudia Springer succeeds here in analyzing both ends of the spectrum the rebel icon as a tool in upholding capitalism's cycle of consumption

and as a challenge to that cycle and its accompanying beliefs In this groundbreaking study of rebel iconography in international popular culture Springer studies a variety of texts from the United States and abroad that use this imagery in contrasting and thought provoking ways Using a cultural studies approach she analyzes films fiction poems Web sites and advertisements to determine the extent to which the icon s adaptations have been effective as a response to the actual social problems affecting contemporary adolescents around the world *What about Darwin?* Thomas F. Glick, 2010-06-28 2010 Outstanding Academic Title Choice Magazine Charles Darwin and his revolutionary ideas inspired pundits the world over to put pen to paper In this unique dictionary of quotations Darwin scholar Thomas Glick presents fascinating observations about Darwin and his ideas from such notable figures as P T Barnum Anton Chekhov Mahatma Gandhi Carl Jung Martin Luther King Mao Tse tung Pius IX Jules Verne and Virginia Woolf What was it about Darwin that generated such widespread interest His *Origin of Species* changed the world Naturalists clerics politicians novelists poets musicians economists and philosophers alike could not help but engage his theory of evolution Whatever their view of his theory however those who met Darwin were unfailingly charmed by his modesty kindness honesty and seriousness of purpose This diverse collection drawn from essays letters novels short stories plays poetry speeches and parodies demonstrates how Darwin s ideas permeated all areas of thought The quotations trace a broad conversation about Darwin across great distances of time and space revealing his profound influence on the great thinkers of the nineteenth and twentieth centuries **Creating Romantic Obsession**

Kathleen Béres Rogers, 2019-03-29 Most of us have at one time been obsessed with something but how did obsession become a mental illness This book examines literary medical and philosophical texts to argue that what we call obsession became a disease in the Romantic era and reflects the era s anxieties Using a number of literary texts some well known like Mary Shelley s 1818 *Frankenstein* and Edgar Allan Poe s 1843 *The Tell Tale Heart* and some not like Charlotte Dacre s 1811 *The Passions* and Charles Brockden Brown s 1787 *Edgar Huntly* the book looks at *vigilia* an overly intense curiosity intellectual monomania an obsession with study nymphomania and erotomania gendered forms of desire *revolutiana* an obsession with sublime violence and military service and ideality an obsession with an idea The coda argues that traces of these Romantic constructs can be seen in popular accounts of obsession today Obsessive-compulsive Disorder Christopher

Obsessed With Taylor James Introduction

In today's digital age, the availability of Obsessed With Taylor James books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Obsessed With Taylor James books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Obsessed With Taylor James books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Obsessed With Taylor James versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Obsessed With Taylor James books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Obsessed With Taylor James books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Obsessed With Taylor James books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.

Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Obsessed With Taylor James books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Obsessed With Taylor James books and manuals for download and embark on your journey of knowledge?
