Now it has been reset in double columns and wider margins.

Revelation Exegetical Commentary - 2 volume set Robert L. Thomas, 2016-08-15 Get back to the roots on Revelation. Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church. The earliest Christians were unanimous in understanding it along a premillennial view of Jesus' second coming, but other hermeneutical approaches began to emerge in the third century. These clouded and added complexity to the task of explaining the book's meaning. For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery. An avalanche of interpretive literature has evidenced remarkable interest in the book's contents but along with the interest has come widespread bewilderment. Written especially for the informed layman, student and scholar, this commentary seeks to clear the air. The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology, but the reader will not get a narrow view on areas of disagreement. This commentary interacts with a range of major views, both evangelical and nonevangelical. It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ. All exegesis and exposition in this 2 volume commentary are based on the original language of the text. Translations used are those of the author and textual criticism and word study are included where appropriate. This in-depth commentary also includes extended excursions on important topics of theological and historical interest.

A Guide to Old Testament Theology and Exegesis Willem VanGemeren, 1999-07-12 The introductory articles from the New International Dictionary of Old Testament Theology and Exegesis are presented here in a separate publication serving as an introduction to Old Testament theology and exegesis.

deliberately reflected the structure and themes found in the Genesis Prologue to emphasize that the God man Jesus Christ created all things and is a new spiritual beginning for all who believe in Him Ultimate reality is found through faith in the Son

A Virtue Ethical View of Trinitarian Sanctification Ronald M. Rothenberg, 2014-07-02 The thesis of this book is that virtue ethics is key to understanding Trinitarian progressive sanctification The thesis is supported by four reasons why virtue ethics is key to understanding Trinitarian progressive sanctification 1 the Trinity virtue ethics and sanctification are historically and conceptually interconnected in the tradition and Scripture 2 virtue ethics based on metaphysical realism is the most biblically consistent ethical framework for Trinitarian progressive sanctification 3 Jesus active roles as a teacher and example of virtue play an important part in Trinitarian sanctification and 4 Jesus priestly heavenly intercession aimed at manifesting virtue in believers is crucial to understanding how the Trinity progressively sanctifies believers The active roles of Jesus in sanctification ordered by the Triune premise indicate that the Trinity sanctifies such that 1 the value having its source from the Father is revealed through the teaching of the Son to motivate believers who are empowered to be motivated by the Spirit 2 the character that is from the Father is revealed through the Son s example that is to be imitated by the believer through habituation and reciprocity by the Spirit s leading and 3 believers are led by the Spirit s intercession into prayer Rom 8 14 16 26 27 to be helped through the Son s priestly intercession in order to receive an answer from the Father with the aim of manifesting the virtues of endurance and hope in the lives of believers

Putting God on Trial Robert Sutherland, 2004 Many scholars find the legal metaphor of an Oath of Innocence inappropriate though for different reasons Some liberal scholars opt for an aesthetic not a moral resolution of the question of evil in the world They find a sublime beauty in God's review of the animal and physical worlds Behemoth and Leviathan But that is all they find They find no suggestions of moral purpose in God's creation and control of evil Indeed they feel none could be forthcoming God is beyond good and evil so no moral resolution is possible Since no moral resolution is possible a legal metaphor such as a lawsuit dramatizing the moral question is inappropriate They interpret Job to understand that position And they interpret him to retract the lawsuit in its entirety This author feels such liberal scholars miss a moral resolution for five reasons a First they fail to give adequate weight to Satan's first speech in heaven setting out the moral solution b Second they misinterpret Job's struggle with God to be a request for a restoration of his former position rather than a request to know the reason behind evil in the world c Third they fail to appreciate the moral restrictions under which God has to operate God cannot reveal any moral answers directly without defeating his very purpose in the creation and control of evil As a result they miss the suggestions of moral purpose in God's two speeches and the inferences God would have Job draw d Fourth they fail to fully appreciate the legal dynamics of the enforcement mechanism of Job's Oath of Innocence In particular they fail to appreciate the distinction between causal responsibility and moral blameworthiness Thus they do not understand God's comments concerning vindication and condemnation in his first speech to Job And they do not understand Job's hesitation to proceed beyond his own vindication to a condemnation of God in Job's first speech to God Ultimately they fail to see Job's adjournment and continuation of his Oath of Innocence implied by the allusion to the story of Abraham and Sodom and Gomorrah in Job's final speech e Finally they fail to give full expression

to God's ultimate judgement on Job Job and only Job spoke rightly about God In the face of such a judgement there is no room to deny the ultimate propriety of the moral and legal question as a way of framing man's encounter with God Some conservative scholars opt for a moral resolution of the question of evil in the world but their resolution is equally unsatisfying They interpret Job's so called excessive words and his Oath of Innocence to be sins of presumption Thus they would have Job retract his lawsuit in its entirety and repent morally for either his so called excessive words his raising of the lawsuit or both This author feels such conservative scholars miss a satisfactory moral resolution for three reasons a First they fail to understand the depth of Satan's challenge to God It is not merely that Job will curse God It is that God is wrong in his judgement on Job's goodness God missed sin in Job's life Such scholars think their moral resolution is possible because although Job sins Job does not actually curse God Their resolution actually makes Satan right in his challenge of God so that God should step down from his throne and destroy mankind b Second they fail to give proper weight to Job's blamelessness and integrity The raising of the Oath of Innocence is an expression of that blamelessness and integrity It is what God expects of Job though he cannot tell him that directly c Finally they fail to give full expression of God's ultimate judgement on Job Job and only Job spoke rightly about God In the face of such a judgement there is no room to attribute sin or wrongdoing to Job for either his so called excessive words or for his Oath of Innocence My personal interpretation charts a new middle course between these two fold horrors

Barber,2004-09-23 In a recent essay The Unmarked Way Harvard scholar Oscar Handlin wrote At some point midway into the 20th century Europeans and Americans discovered that they had lost all sense of direction Formerly familiar markers along the way had guided their personal and social lives from birth to maturity to death Now disoriented they no longer trust the guideposts and grope in bewilderment toward an unimagined destination Dr Handlin's observation confirms the fact that history has repeated itself One of the guideposts that could lead us through the maze of confusing theories is the Book of Kings Without the light of history shining over our shoulders we lose our sense of direction The admonition of the prophet Jeremiah points us back to the lighted path He counseled the people of his day to Ask for the ancient paths ask where the good way is and walk in it and you will find rest for your souls Now more so than ever before we need the teaching of 1 and 2 Kings and that after all is the purpose of these studies Read them and see
