

### **NY5 Making Connections Lab Questions**

1. A non-extension of the lab activity: Making Connections, a biology teacher asked students to transform variable *x* rather than *y* so that *x* would affect heart rate. The students hypothesized that eating a lunch high in protein would decrease heart rates. They recorded resting heart rates of 20 students, had them eat high protein meals, and then recorded their heart rates again. The heart rates of 15 students were lower while the heart rate of 5 students were higher after lunch.

The least contradiction for the observation that the least rates of 5 students were higher after Day 3 is

- A) the least rate of female student (are not affected by a high protein meal)

B) the students all participated in physical education class immediately before lunch

C) the students all had varying physical fitness level (and consumed different amounts of protein)

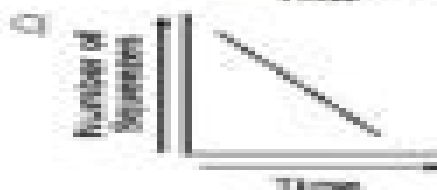

D) the students were all the same gender and age
- In the lab activity Making Connections, an experiment was designed to test the effect of exercise on the ability to open a clothespin. The number of times the clothespin was opened served as the

A) independent variable

B) dependent variable

C) hypothesis

D) control
- A student is opening and closing clothespins as part of a lab activity. The student begins to experience muscle fatigue, and the rate at which the student is opening and closing the clothespins slows. Which graph best represents the relationship between a time and number of clothespin opened?

4. During periods of vigorous physical activity, a person's breathing and heart rates increase. This enables \_\_\_\_\_ the cells of the body to perform more efficiently because it helps the cells to \_\_\_\_\_.
- A) remove waste products faster                      B) store excess glucose in muscles  
C) reduce the amount of ATP produced          D) convert more oxygen to glucose
5. A person's pulse rate generally goes down while sleeping. One reason for this decrease is \_\_\_\_\_.
- A) the body is producing more carbon dioxide when a person is sleeping.  
B) a person is not using energy while sleeping.  
C) a person requires less oxygen when sleeping.  
D) the body is using more nutrients while asleep.

## **New York State Lab Making Connections Answers Introduction**

In the digital age, access to information has become easier than ever before. The ability to download New York State Lab Making Connections Answers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download New York State Lab Making Connections Answers has opened up a world of possibilities. Downloading New York State Lab Making Connections Answers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading New York State Lab Making Connections Answers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download New York State Lab Making Connections Answers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading New York State Lab Making Connections Answers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading New York State Lab Making Connections Answers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download New York State Lab Making Connections Answers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
