in a way that is both doctrinally precise and intensely practical **Has God Spoken?** Hank Hanegraaff, 2011-08-29 Are Christians Guilty of Blind Faith or Is The Bible Really God's Inspired Word Can You Ever Know For Sure Join best selling author Hank Hanegraaff for a stirring defense of the Bible as the Word of God and your only reliable foundation for life In answering the riveting question Has God spoken Hanegraaff uses manuscript evidence archeology predictive prophecy and much more to memorably demonstrate that the Bible is divine rather than merely human in origin Hanegraaff demolishes modern objections to Scripture such as There are more mistakes in manuscript copies of the Bible than there are words in the New Testament The biblical account of King David is no more factual than tales of King Arthur there simply is no evidence in archeology or history for Israel's quintessential king Contemporary prophets are proven 100 percent wrong 100 percent of the time and biblical prophets are just as unreliable Has God Spoken joins its predecessors *The Face That Demonstrates the Farce of Evolution* and *Resurrection as Hanegraaff's final book in a trilogy that provides complete and compelling answers to the most critical issues facing Christians today* *Chronological and Background Charts of Church History* Robert C. conversion leading to the formation of Indian churches composed of sincere converts *The Great Divide* Ross Thomas Hindman, 2008-09 This book is a brief chronological history of when and by whom non biblical ideas entered the Church and how those false ideas became official doctrines in what would emerge over the centuries as the Roman Catholic Church These doctrines crystallized over the gradual abandonment of the exclusive authority of the Bible in the life of the Church by the establishment of doctrines based on human tradition There is much pressure today by the Roman Catholic Church on Protestant Evangelicals of all persuasions to set aside doctrinal differences and evangelize together so that the world will see a united Church Yet the Bible clearly teaches that the Church of Jesus Christ is to be the pillar and foundation of the truth in the midst of society 1 Timothy 3 15 How can we abandon the truth for the sake of unity and think that we can actually accomplish God's will for His Church Does the truth really matter Ross Thomas Hindman served the Lord as a missionary in France from 1984 to 2006 In the early years he was involved in helping French Christians establish new churches and then later became the director of the Bethany Bible School in the heart of France He also helped Brazilian missionaries begin a Bethany Bible School in Dakar Senegal West Africa He continues his ministry of teaching in the French speaking world as well as in the United States while continuing his missionary activities with Bethany International in helping develop mission schools in the least reached nations He received the Bachelor of Arts in Bible Cum Laude from Asbury College in 1980 and the Master of Divinity in Evangelism and Missions from Asbury Theological Seminary in Wilmore Kentucky in 1983 Married with three children and six grandchildren he currently lives with his wife Ellen in Omaha Nebraska *A Call for Continuity* Glen G. Scorgie, 2004 Glen Scorgie's pioneer study of Orr as a theologian is a work long overdue Scorgie's fascinating narrative makes plain the real distinction of Orr's mind The present day resurgence of the convictions that Orr championed suggests that in calling for continuity and combating theological novelty Orr had found the way of wisdom This book rehabilitates the doughty Glasgow professor as a thinker still to be reckoned with by those who care for Christian truth J I Packer Regent College *The New Testament and Bioethics* R. Dennis Macaleer, 2014-01-01 Beauchamp and Childress's Principles of Biomedical Ethics is a well accepted approach to contemporary bioethics Those principles are based on what Beauchamp and Childress call the common morality This book employs New Testament theological themes to enhance the meaning of those principles of bioethics The primary New Testament text for this study is the twin commands from Jesus to love God and love one's neighbor The three theological themes developed from this study the image of God the covenant and the pursuit of healing are deeply embedded in the New Testament and in the ministry of Jesus Three contemporary bioethics principles are used for this dissertation based on The Belmont Report They are the principles of respect for persons justice and beneficence In each case the theological themes are shown to enhance the meaning of these bioethics principles Each of the three principles as understood through the three theological themes is applied to a current bioethics issue to demonstrate the efficacy of this approach The three current issues addressed are the withdrawal or withholding of life

sustaining treatment the distribution of health care in the United States and the use of palliative care

The Sovereignty of God in Salvation E. Earle Ellis, 2011-11-03 In his new work *The Sovereignty of God in Salvation* E Earle Ellis sets out to explore God's sovereign purpose both in individual salvation and in the salvation history within which the Bible has been authored transmitted interpreted and communicated In the process he touches on such themes as the nature of free will the manifestation of God's sovereignty in the life and ministry of the Apostle Paul the presence of God's hand in the transmission and interpretation of the biblical texts and new perspectives on both the modern inclination to emphasise Paul's use of Graeco Roman rhetoric as well as the contemporary reception of the biblical message The sovereignty of God forms an overarching theme throughout
