Lamentations, Song of Songs Wilma Bailey, Christina Bucher, 2015-02-09 Lamentations Song of Songs by Wilma Ann Bailey and Christina Bucher covers the full emotional register of biblical literature from the anguished sorrow songs of ancient Israel to the passionate lyric poems of lovers Wilma Bailey plumbs the interpretive depths of Lamentations including questions about authorship images of God and depiction of a community's response to exile and its development of an identity in the wake of catastrophe Christina Bucher then offers multiple perspectives on the Song of Songs and its imagery characters and allegorical and literal interpretations by readers and communities across the centuries Both scholars build sturdy theological scaffolding to help lay readers pastors and scholars understand and apply the wisdom contained by these Hebrew writings of desire and exile love and lament Volume 27 in the BCBC series About Believers Church Bible Commentary Series Accessible to lay readers useful in preaching and pastoral care helpful for Bible study groups and Sunday school teachers and academically sound the Believers Church Bible Commentary Series foregrounds an Anabaptist reading of Scripture Published for all who seek more fully to understand the original message of Scripture and its meaning for today the series is based on the conviction that God is still speaking to all who will listen and that the Holy Spirit makes the Word a living and authoritative guide for all who want to know and do God's will

A Call to Commitment Thomas Karimundackal, 2017-10-01 Deuteronomy 10 12 11 32 is a very important text for the book of Deuteronomy However it has not received an adequate exegetical treatment so far The present study intends to meet this need Following a synchronic approach Thomas Karimundackal examines the text exegetically and theologically in its context He analyzes the text extensively by referring to its intense relationships within Deuteronomy and with other biblical books He shows how Deuteronomy 10 12 11 32 serves as a hermeneutical key to understand and interpret the theology of Deuteronomy As a transitional passage it connects the former framework and the Law Code in Deuteronomy and thus forms a bridge In addition it is repeatedly connected to the latter framework of Deuteronomy and thus proves to be a hermeneutical key to the book From a theological point of view the unique statements about God in Deut 10 stand out The author also reflects on the role of the community and the contemporary relevance of the text
