American Book Publishing Record ,1998 *Hands of Light* Barbara Ann Brennan,2011-03-23 With the clarity of a physicist and the compassion of a gifted healer with fifteen years of professional experience observing 5 000 clients and students Barbara Ann Brennan presents the first in depth study of the human energy field for people who seek happiness health and their full potential Our physical bodies exist within a larger body a human energy field or aura which is the vehicle through which we create our experience of reality including health and illness It is through this energy field that we have the power to heal ourselves This energy body only recently verified by scientists but long known to healers and mystics is the starting point of all illness Here our most powerful and profound human interactions take place the precursor and healer of all physiological and emotional disturbances Hands of Light is your guide to a new wholeness It offers A new paradigm for the human in health relationship and disease An understanding of how the human energy field looks functions is disturbed healed and interacts with friends and lovers Training in the ability to see and interpret auras Medically verified case studies of healing people from all walks of life with a variety of illnesses Guidelines for healing the self and others The author s personal and intriguing life adventure which gives us a model for growth courage and possibilities for expanded consciousness **The Mystery of Life Energy** Eric Leskowitz,2024-04-09 Describes how energy therapies are now gaining acceptance due to irrefutable proof of their effectiveness for clinical conditions from PTSD to phantom limb pain Examines the power of group energetics and team chemistry in sports and in society Explains how megalithic sacred sites are aligned with Earth s subtle energies and explores the energetics of crop circles and global consciousness Examining the wealth of evidence supporting the reality of the human biofield Eric Leskowitz M D explores the role of life energy in healing therapies

and outlines its many manifestations at the individual group and global levels He shows how energy therapies have been taboo in the West and reveals irrefutable evidence for their clinical benefits He also describes the obstacles he faced in his own attempts to bring these holistic approaches into the world of academic medicine The author s detailed exploration of phantom limb pain shows that this phenomenon is not a psychosomatic creation of the brain but is a tangible energetic structure the human biofield in action He explores group energetics and team chemistry revealing how group situations a concert a meditation retreat a sporting event create their own energetic power He shows how Stonehenge and other megaliths were built in alignment with Earth s own energy meridians and he proposes that the mysterious phenomenon of crop circles may be emerging in harmony with Earth s subtle energies Blending hard science with ancient healing wisdom the author reveals how we can all thrive together by remembering our shared energetic roots and our undeniable interconnectedness through the global web of life energy and consciousness itself **New Vitality Through Energy**

Medicine Reimar Banis,2015-06-10 Most people would like to be healthier and livelier happier and more resilient which is why these days there are so many promised panaceas from vegan diets to Yoga As a naturopathically oriented general practitioner I have noticed in my examination of patients that quite a few people have energy blocks which is why it is impossible to make any real progress with the above mentioned methods In addition these energy blocks act subliminally as sources of illness This book describes practical ways to detect and eliminate these blocks with the aid of a new healing method Psychosomatic Energetics The method also helps one get to know oneself and others better The Ultimate Guide to Energy Healing
