New Religions And The Nazis:

New Religions and the Nazis Karla O. Poewe, 2006 Looking at modern German paganism as well as the established Church Poewe reveals that the new religions founded in the pre Nazi and Nazi years especially Jakob Hauer's German Faith Movement would be a model for how German fascism distilled aspects of religious doctrine into political extremism BOOK JACKET

The Nazi State and the New Religions Christine Elizabeth King, 1982 Christine King focuses on five of the more important sects in Nazi Germany Jehovah's Witnesses Mormons Seventh Day Adventists Christian Science and the New Apostolic Church With the aid of police reports and sectarian press reports she seeks to explain their different fates

New Religions and the Nazis Karla O. Poewe, 2006 Looking at modern German paganism as well as the established Church Poewe reveals that the new religions founded in the pre Nazi and Nazi years especially Jakob Hauer's German Faith Movement would be a model for how German fascism distilled aspects of religious doctrine into political extremism BOOK JACKET

New Religions in Global Perspective Peter Bernard Clarke, 2006 This volume provides a complete guide to the global impact and cultural significance of new religious movements

New Religions As Global Cultures Irving Hexham, Karla Poewe, 2018-02-12 Although the Great Anti Cult Crusade links new religious movements to dangerous cults brainwashing and the need for deprogramming Karla Poewe and Irving Hexham argue that many cults are the product of a dynamic interaction between folk religions and the teachings of traditional world religions Drawing on examples from Africa the United States Asia and Europe they suggest that few new religions are really new Most draw on rich if localized cultural traditions that are shaped anew by the influence of technological change and international linkages With the widespread loss of belief in biblical mythology in the nineteenth century new mythologies based on science and elements derived from various non Western religious traditions emerged leading to the growth and popularity of new religions and cults

Catholicism and the Roots of Nazism Derek Hastings, 2011 Derek Hastings illuminates an important and largely overlooked aspect of Nazi history revealing National Socialism's close early ties with Catholicism in the years immediately after World War I when the movement first emerged Jacket

Modern Hindu Personalism Ferdinando Sardella, 2012-11-20 Modern Hindu Personalism explores the life and works of Bhaktisiddhanta Sarasvati 1874-1937 a Vaishnava guru of the Chaitanya school of Bengal Ferdinando Sardella examines Bhaktisiddhanta's background motivation and thought especially as it relates to his creation of a modern traditionalist institution for the successful revival of Chaitanya Vaishnava bhakti Sardella provides the historical background as well as the contemporary context of the India in which Bhaktisiddhanta lived and functioned in the process shedding light on such topics as colonial culture and sensibilities the emergence of an educated middle class the rise of the Bengal Renaissance and the challenge posed by Protestant missionaries Bhaktisiddhanta's childhood education and major influences are examined as well as his involvement with Chaitanya Vaishnavism and the practice of bhakti Sardella places Bhaktisiddhanta's life and work within a taxonomy of modern Hinduism and compares the significance of his work to the

contributions of other major figures such as Swami Vivekananda Finally Bhaktisiddhanta's work is linked to the development of a worldwide movement that today involves thousands of American and European practitioners many of whom have become respected representatives of Chaitanya bhakti in India itself

Return of the Swastika Koenraad Elst, 2015-02-18 Return of the Swastika presents a collection of essays by the Belgian historian and Indologist Koenraad Elst who is renowned for his writings on Indian history and Hindu nationalism The subjects of these essays are manifold ranging over issues pertaining to the Hindu Right communitarianism the European New Right immigration from Islamic countries fascism both historical and contemporary and European neo paganism Several of the essays also discuss the alleged connections between Hinduism and the more esoteric and pagan oriented elements of Nazism including a critique of the neo Nazi mystic Savitri Devi who attempted to depict Hitler as an avatar of the Hindu god Vishnu The running theme through all of these essays is Elst's exploration of how ideas and symbols are misrepresented by their opponents and those who seek to alter their meanings for their own purposes and an insistence on understanding things as they are rather than through their representation by others For Elst the Nazi appropriation of the swastika one of the most ancient symbols of human civilisation and a sacred sign of Hinduism and its subsequent demonisation by anti fascists in the West is a case in point The answer is not to ban the swastika and thus cede the right to define it to those who misuse it but rather to insist on its actual meaning allowing it to be reborn and to flourish freely once again

Between Occultism and Nazism Peter Staudenmaier, 2014-04-03 The relationship between Nazism and occultism has been an object of fascination and speculation for decades Peter Staudenmaier's Between Occultism and Nazism provides a detailed historical examination centered on the anthroposophist movement founded by Rudolf Steiner Its surprising findings reveal a remarkable level of Nazi support for Waldorf schools biodynamic farming and other anthroposophist initiatives even as Nazi officials attempted to suppress occult tendencies The book also includes an analysis of anthroposophist involvement in the racial policies of Fascist Italy Based on extensive archival research this study offers rich material on controversial questions about the nature of esoteric spirituality and alternative cultural ideals and their political resonance

The Scientification of the "Jewish Question" in Nazi Germany Horst Junginger, 2017-03-20 The Scientification of the Jewish Question in Nazi Germany describes the attempt of a considerable number of German scholars to counter the vanishing influence of religious prejudices against the Jews with a new antisemitic rationale As anti Jewish stereotypes of an old fashioned soteriological kind had become dysfunctional under the pressure of secularization a new more objective explanation was needed to justify the age old danger of Judaism in the present In the 1930s a new research field called Judenforschung Jew research emerged Its leading figures amalgamated racial and religious features to verify the existence of an everlasting Jewish problem Along with that they offered scholarly concepts for its solution

Nazi Occultism Stéphane François, 2023-03-14 Nazi Occultism provides a serious scholarly study of a topic that is often marred by sensationalism and misinformation The Morning of the Magicians by Pauwels and

Bergier 1960 gave rise to the idea that a secret society with wide powers the Thule society was the hidden and ignored centre of Nazism The influence of this very real small group is however only a fantasy a myth The author a historian specializing in neo Nazism looks back on this speculative construction its origins its ideological tinkering and the practices which have succeeded in forming a sort of radical and sulphurous counterculture which has created a fascination with esotericism and Nazism and the SS To better understand it he also paints a portrait of some of the authors who contributed to this extremist subculture such as the Italian esotericist Julius Evola the Argentine anthropologist Jacques Marie de Mahieu Chilean neo Nazi Miguel Serrano and the writer Jean Paul Bourre This book will appeal to scholars researchers and activists as well as general readers with an interest in the history of Nazism and the occult Transcultural Encounters between Germany and India Joanne Miyang Cho, Eric Kurlander, Douglas T McGetchin, 2013-12-17 Providing a comprehensive survey of cutting edge scholarship in the field of German Indian and South Asian Studies the book looks at the history of German Indian relations in the spheres of culture politics and intellectual life Combining transnational post colonial and comparative approaches it includes the entire twentieth century from the First World War and Weimar Republic to the Third Reich and Cold War era The book first examines the ways in which nineteenth century Indomania figured in the creation of both German national identity and modern German scholarship on the Orient and it illustrates how German encounters with India in the Imperial era alternately destabilized and reinforced the orientalist capitalist and nationalist underpinnings of German modernity Contributors discuss the full range of German responses to India and South Asian perceptions of Germany against the backdrop of war and socio political revolution as well as the Third Reich s ambivalent perceptions of India in the context of racism religion and occultism The book concludes by exploring German Indian relations in the era of decolonization and the Cold War Employing a diverse array of interdisciplinary approaches to understanding German Indian encounters over the past two centuries this book is of interest to students and scholars of Germany India Europe and Asia as well as history political science anthropology philosophy comparative literature and religious studies **Eranos** Hans Thomas Hakl, 2014-09-11 Every year since 1933 many of the world s leading intellectuals have met on Lake Maggiore to discuss the latest developments in philosophy history art and science and in particular to explore the mystical and symbolic in religion The Eranos Meetings named after the Greek word for a banquet where the guests bring the food constitute one of the most important gatherings of scholars in the twentieth century The book presents a set of portraits of some of the century s most influential thinkers all participants at Eranos Carl Jung Erich Neumann Mircea Eliade Martin Buber Walter Otto Paul Tillich Gershom Scholem Herbert Read Joseph Campbell Erwin Schrodinger Karl Kereyni D T Suzuki and Adolph Portmann The volume presents a critical appraisal of the views of these men how the exchange of ideas encouraged by Eranos influenced each and examines the attraction of these esotericists towards authoritarian politics *World Religions and Cults Volume 3* Bodie Hodge, Roger Patterson, 2016-11-30 This final book in the series focuses on the atheistic or humanistic type of religions

It would be one of the most valuable for the church in the Western World where anti god and pro evolution religions are beginning to explode for it was written to refute those religions and show how they fail Unlike most books on world religions this title dives into the secular humanistic religions The book starts with God s Word as the absolute authority In doing so God becomes our guide to refute false religions Humanistic religions are all around us and we need to be able to spot their tenets and oppose them instead of allowing them to subtly infiltrate our Christianity and undermine us from within We need to know how to refute these humanistic religions We need to know how to effectively present the gospel to people who have been deceived by humanistic religions

Religion, Ethnonationalism, and Antisemitism in the Era of the Two World Wars Kevin P. Spicer, Rebecca Carter-Chand, 2022-01-15 In the wake of the devastating First World War leaders of the victorious powers reconfigured the European continent resulting in new understandings of nation state and citizenship Religious identity symbols and practice became tools for politicians and church leaders alike to appropriate as instruments to define national belonging often to the detriment of those outside the faith tradition Religion Ethnonationalism and Antisemitism in the Era of the Two World Wars places the interaction between religion and ethnonationalism a particular articulation of nationalism based upon an imagined ethnic community at the centre of its analysis offering a new lens through which to analyze how nationalism ethnicity and race became markers of inclusion and exclusion Those who did not embrace the same ethnonationalist vision faced ostracization and persecution with Jews experiencing pervasive exclusion and violence as centuries of antisemitic Christian rhetoric intertwined with right wing nationalist extremism The thread of antisemitism as a manifestation of ethnonationalism is woven through each of the essays along with the ways in which individuals sought to critique religious ethnonationalism and the violence it inspired With case studies from the United States France Italy Germany Finland Croatia Ukraine and Romania Religion Ethnonationalism and Antisemitism in the Era of the Two World Wars thoroughly explores the confluence of religion race ethnicity and antisemitism that led to the annihilative destruction of the Second World War and the Holocaust challenging readers to identify and confront the inherent dangers of narrowly defined ideologies [A Companion to Nazi Germany](#) Shelley Baranowski, Armin Nolzen, Claus-Christian W.

Szejnmann, 2018-04-03 A Deep Exploration of the Rise Reign and Legacy of the Third Reich For its brief existence National Socialist Germany was one of the most destructive regimes in the history of humankind Since that time scholarly debate about its causes has volleyed continuously between the effects of political and military decisions pathological development or modernity gone awry Was terror the defining force of rule or was popular consent critical to sustaining the movement Were the German people sympathetic to Nazi ideology or were they radicalized by social manipulation and powerful propaganda Was the Final Solution the motivation for the Third Reich s rise to power or simply the outcome A Companion to Nazi Germany addresses these crucial questions with historical insight from the Nazi Party s emergence in the 1920s through its postwar repercussions From the theory and context that gave rise to the movement through its structural cultural economic

and social impacts to the era's lasting legacy this book offers an in depth examination of modern history's most infamous reign Assesses the historiography of Nazism and the prehistory of the regime Provides deep insight into labor education research and home life amidst the Third Reich's ideological imperatives Describes how the Third Reich affected business the economy and the culture including sports entertainment and religion Delves into the social militarization in the lead up to war and examines the social and historical complexities that allowed genocide to take place Shows how modern day Germany confronts and deals with its recent history Today's political climate highlights the critical need to understand how radical nationalist movements gain an audience then followers then power While historical analogy can be a faulty basis for analyzing current events there is no doubt that examining the parallels can lead to some important questions about the present Exploring key motivations environments and cause and effect this book provides essential perspective as radical nationalist movements have once again reemerged in many parts of the world

Mozart and the Nazis Erik Levi, 2011-02-01 A music historian uncovers Nazi Germany's use of Mozart as a WWII propaganda tool in this intriguing study that comprehends a range of vital topics Choice As the Nazi war machine expanded its bloody ambitions across Europe the Third Reich sought to promote a sophisticated and even humanitarian image of German culture through the tireless promotion of Mozart's music In this revelatory book Erik Levi draws on World War II era articles diaries speeches and other archival materials to provide a new understanding of how the Nazis shamelessly manipulated Mozart for their own political advantage Mozart and the Nazis also explores the continued Jewish veneration of the composer during this period while also highlighting some of the disturbing legacies that resulted from the Nazi appropriation of his work Enhanced by rare contemporary illustrations Mozart and the Nazis is a fascinating addition to the study of music history World War II propaganda and twentieth century politics

Handbook of Conspiracy Theory and Contemporary Religion Asbjørn Dyrendal, David G. Robertson, Egil Asprem, 2018-10-02 Conspiracy theories are a ubiquitous feature of our times The Handbook of Conspiracy Theories and Contemporary Religion is the first reference work to offer a comprehensive transnational overview of this phenomenon along with in depth discussions of how conspiracy theories relate to religion's Bringing together experts from a wide range of disciplines from psychology and philosophy to political science and the history of religions the book sets the standard for the interdisciplinary study of religion and conspiracy theories

The Metaphysics of Race Amit Varshizky, 2024-11-04 This book seeks to reframe debates on the conflicting scientific and spiritual traditions that underpinned the Nazi worldview showing how despite the multitude of tensions and rivals among its adherents it provided a coherent conceptual grid and possessed its own philosophical consistency Drawing on a large variety of works the volume offers insights into the intellectual climate that allowed the radical ideology of National Socialism to take hold It examines the emergence of nuanced conceptions of race in interwar Germany and the pursuit of a new ethical and existential fulcrum in biology Accordingly the volume calls for a re examination of the place of genetics in Nazi racial thought

drawing attention to the multi register voices within the framework of interwar racial theory Varshizky explores the ways in which these ideas provided new justifications for the Nazi revolutionary enterprise and blurred the distinction between fact and value knowledge and faith the secular and the sacred and how they allowed Nazi thinkers to bounce across these epistemological divisions This volume will be of interest to scholars of Nazi Germany and World War II intellectual and cultural history the history of science and the philosophy of religion *Beyond the Racial State* Devin O. Pendas, Mark Roseman, Richard F. Wetzell, 2017-11-16 The racial state has become a familiar shorthand for the Third Reich encapsulating its raison d'etre ambitions and the underlying logic of its genocidal violence The Nazi racial state's agenda is generally understood as a fundamental reshaping of society based on a new hierarchy of racial value However this volume argues that it is time to reappraise what race really meant under Nazism and to question and complicate its relationship to the Nazis agenda actions and appeal Based on a wealth of new research the contributors show that racial knowledge and racial discourse in Nazi Germany were far more contradictory and disparate than we have come to assume They shed new light on the ways that racial policy worked and was understood and consider race's function content and power in relation to society and nation and above all in relation to the extraordinary violence unleashed by the Nazis

If you ally infatuation such a referred **New Religions And The Nazis** books that will allow you worth, acquire the utterly best seller from us currently from several preferred authors. If you want to comical books, lots of novels, tale, jokes, and more fictions collections are with launched, from best seller to one of the most current released.

While this might not be the New Religions And The Nazis full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of New Religions And The Nazis eBooks, including some popular titles.

FAQs About New Religions And The Nazis Books

What is a New Religions And The Nazis PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a New Religions And The Nazis PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a New Religions And The Nazis PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a New Religions And The Nazis PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a New Religions And The Nazis PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
