Barrett, Philip Wesley Comfort, 2019-10-22 The manuscripts that form the Greek New Testament are scattered throughout the world and are usually only accessible to scholars and professionals These were the manuscripts read by the earliest Christians which comprised their New Testament In his volumes Philip Wesley Comfort bridges the gap between these extant copies and today's critical text by providing accurate transcriptions of the earliest New Testament manuscripts with photographs on the facing pages so readers can see the works for themselves Comfort also provides an introduction to each manuscript that summarizes the contents date current location provenance and other essential information including the latest findings This allows students and scholars to make well informed decisions about the translation and interpretation of the New Testament Volume 1 includes manuscripts from Papyrus 1 72 Volume 2 includes manuscripts from Papyrus 75 139 as well as from the uncials In addition it features a special section on determining the date of a manuscript This two volume set replaces the previously published single volume *Text of the Earliest New Testament Greek Manuscripts* as it contains many new manuscripts updated research and higher quality images of all manuscripts previously covered

Judgment According to Works in Romans Kevin W. McFadden, 2013-10-01 Kevin W. McFadden shows that Paul wrote the letter to remind Roman Christians of his gospel because of his vocation as apostle to the Gentiles The letter simultaneously demonstrates the guilt of the world and calls Paul's audience to live out the implications of the gospel The theme of judgment thus appears in two distinct ways Paul opposes justification by works of law but simultaneously affirms as did most of the early Christian movement McFadden argues a final

judgment according to works These are not contradictory observations but belong together in a cohesive understanding of Paul's theology and of his purpose in the letter

Romans: Jimmy Swaggart Bible Commentary Jimmy Swaggart, 1996
 ROMANS BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God

Reflections on Biblical Themes by an Octogenarian Reuben J. Swanson, 2007-01-01 *Reflections on Biblical Themes by an Octogenarian* represents the journey into faith by the author of the essays over the span of sixty years in the pastoral ministry and as a professor on college university and theological school levels There has been a continuing growth in understanding from the beginnings of a rather conservative religious background and training to a more mature appreciation and understanding of life This growth came about through the interchange in the classroom as a student in preparation for ministry then as a pastor in the everyday work experience and interchange with parishioners and especially in the interchange with students in the classroom This more mature understanding and growth is reflected in the essays presented in this volume on various themes as listed in the Table of Contents It is hoped that they will be of value to lay persons and to professionals in the life of the church and in the academic world and that they will stimulate thought and discussion in parishes and in institutions of higher learning Some of the viewpoints may seem to be controversial but how are we to grow intellectually and spiritually unless we wrestle seriously with the deep and profound questions of our faith and life These reflections are offered with the hope and prayer that they will stimulate discussion and growth in the life of the church in both parish and academic settings
