

A person is shown from the chest up, holding an open Bible. The person has long dark hair and is wearing a blue and white striped shirt. The Bible is open to a page with text in two columns. The background is dark and out of focus. Overlaid on the image is the text 'WHAT IS' in a teal box and 'NEW TESTAMENT THEOLOGY?' in large white letters.

WHAT IS NEW TESTAMENT THEOLOGY?

New Testament Theology

Robert Morgan

New Testament Theology:

New Testament Theology Frank J. Matera, 2007-01-01 In this systematic book by book exploration of the theology of each New Testament writing Frank J. Matera explores theological diversity and unity in the writings of the New Testament After an introduction to the history and method of New Testament theology he explains and describes the theologies of the Synoptic Pauline and Johannine traditions as well as the rich theology of other New Testament voices Hebrews the Catholic Epistles and the book of Revelation Integrating both Protestant and Catholic approaches this work provides students pastors and scholars a comprehensive view of the New Testament that is rich in exegetical and theological insight

New Testament Theology Leon Morris, 2011-03-01 This work is not a history of New Testament times nor an account of New Testament religion Nor does it proceed from a view that the New Testament was written as theology We must bear in mind that the writers of the New Testament books were not writing set theological pieces They were concerned with the needs of the churches for which they wrote Those churches already had the Old Testament but these new writings became in time the most significant part of the Scriptures of the believing community As such they should be studied in their own right and these questions should be asked What do these writings mean What is the theology they express or imply What is of permanent validity in them We read these writings across a barrier of many centuries and from a standpoint of a very different culture We make every effort to allow for this but we never succeed perfectly In this book I am trying hard to find out what the New Testament authors meant and this not as an academic exercise but as the necessary prelude to our understanding of what their writings mean for us today From the Introduction

Theology of the New Testament Udo Schnelle, 2009-11-01 Following his well received Apostle Paul prominent European scholar Udo Schnelle now offers a major new theology of the New Testament The work has been translated into English from the original German with bibliographic adaptations by leading American scholar M Eugene Boring This comprehensive critical introduction combines historical and theological analysis Schnelle begins with the teaching of Jesus and continues with a discussion of the theology of Paul He then moves on to the Synoptic Gospels the deuteropauline catholic and Johannine letters and Revelation paying due attention to authorship chronology genre and canonical considerations This is an essential book for anyone with a scholarly interest in the New Testament

A Theology of the New Testament George Eldon Ladd, 1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index

New Testament Theology Thomas R. Schreiner, 2008-06-01 In this substantial volume Thomas Schreiner takes up the study of New Testament theology looking for the themes that emerge from a detailed reading of the whole rather than considering the individual writings separately Two themes in particular emerge The first concerns redemptive history and the kingdom of God The New Testament writers adopt the Old Testament

vision of God's reign and affirm that it has come in Jesus Christ although final fulfillment is yet to come. Second the ultimate goal of the kingdom is God's glory. Schreiner goes on to relate these themes to the life of the believer and the community of faith. Pastors and students will find this a comprehensive and illuminating survey of the unifying themes found throughout the New Testament.

New Testament Theology G. B. Caird, 1994-06-03. Generations of students have known G. B. Caird as a penetrating and lucid guide to the many questions and problems posed by modern biblical study. His brilliant commentaries on St. Luke, the Book of Revelation, and St. Paul's Prison Epistles, as well as his other studies on theology and the Bible, have won for him a place among the twentieth century's foremost biblical scholars. This new and masterly presentation of New Testament theology, completed and edited since the author's death by Professor L. D. Hurst, takes the unique step of setting up an imaginary debate amongst the various authors of the New Testament themselves. As central concepts—predestination, sin, atonement, the church, sacrament, ethics, eschatology, and christology—are discussed between such figures as Luke, Paul, John, and the author of Hebrews, the work moves to its climax with a presentation of the theology of Jesus himself. The result provides a particularly fresh and illuminating picture of the ideas at the heart of Christianity, deserving a place on the shelf of every serious pastor, theologian, and student of the Bible.

What is New Testament Theology? Hendrikus Boers, 1979.

Here is a review of the history of New Testament theology as a discipline from its roots in the Reformation era through subsequent developments from Johann Philipp Gabler to Rudolf Bultmann and beyond. Boers encourages the reader to evaluate and understand a variety of theological approaches in keeping with the diverse nature of the New Testament texts.

A Biblical Theology of the New Testament Roy Zuck, 1994-10-09. Explore God's truth as it unfolded chronologically. Companion volume to *A Biblical Theology of the Old Testament*.

God in New Testament Theology Larry W. Hurtado, 2010. Explores how New Testament conceptions of God contribute to a contemporary constructive theology.

New Testament Theology James D. G. Dunn, 2009. Moves beyond a purely descriptive approach to the study of Scripture into a genuine and faithful application of the message of Scripture to questions of contemporary life.

A Concise New Testament Theology

I. Howard Marshall, 2008. Concise New Testament Theology.

New Testament Theology in Light of the Church's Mission Jon C. Laansma, Grant Osborne, Ray Van Neste, 2011-11-09. This book offers important new case studies in understanding the theology and praxis of mission in the New Testament and in reading the New Testament for mission. Significant scholars from around the world explore aspects of the missional theology of the Gospels, Acts, Paul, Hebrews, and Revelation. The essays are offered as a fitting tribute to I. Howard Marshall, one of the most outstanding evangelical New Testament scholars of his generation.

New Testament Theology Donald Guthrie, 1981. In this comprehensive thematic study, Donald Guthrie brings out the rich variety of New Testament thought while demonstrating its inner unity.

New Testament Theology and Ethics Ben Witherington III, 2016-03-21. In the second volume of his two-volume comprehensive overview of the theological and ethical thought world of the New Testament, Ben Witherington III focuses on the collective

witness of New Testament writers the convergences and divergences of their theological and ethical thought **The Nature of New Testament Theology** Robert Morgan,2009-09-01 Explore biblical theology with monographs from a diversity of experts The Studies in Biblical Theology series includes a wealth of resources to help you understand the development of various doctrines concepts and terminology across the Old and New Testaments Investigate the characteristics of worship in the early church with studies on its liturgy and sacraments Fine tune your understanding of Jesus ministry by exploring his wilderness experience and the nature of his mission Delve into detailed word studies investigate Christological titles used by Paul and come to a new appreciation of the Ten Commandments These in depth treatments will give you a better grip on key theological themes found throughout the Bible New International Dictionary of New Testament Theology Zondervan,2017-10-17 This abridgment of Colin Brown s original four volume work is arranged with its entries in Greek alphabet order which makes it easy to find the discussion of a particular word All Greek words are transliterated into English and linked with their Goodrick Kohlenberger numbers This book was formerly titled The NIV Theological Dictionary of New Testament Words Now it has been reset in double columns and wider margins *An Outline of New Testament Theology* David Foster Estes,1918 Covenant of Peace Willard M. Swartley,2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley s *Covenant of Peace* remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message *Covenant of Peace* confronts readers anew with the compelling New Testament witness to peace Biblical Theology of the New Testament Bernhard Weiss,1882 A New Testament Biblical Theology G. K. Beale,2011-12-01 Christianity Today 2013 Book Award Winner In this comprehensive exposition a leading New Testament scholar explores the unfolding theological unity of the entire Bible from the vantage point of the New Testament G K Beale coeditor of the award winning *Commentary on the New Testament Use of the Old Testament* examines how the New Testament storyline relates to and develops the Old Testament storyline Beale argues that every major concept of the New Testament is a development of a concept from the Old and is to be understood as a facet of the inauguration of the latter day new creation and kingdom Offering extensive interaction between the two testaments this volume helps readers see the unifying conceptual threads of the Old Testament and how those threads are woven together in Christ This major work will be valued by students of the New Testament and pastors alike

New Testament Theology Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading New Testament Theology free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading New Testament Theology free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading New Testament Theology free PDF files is convenient, its

important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading New Testament Theology. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading New Testament Theology any PDF files. With these platforms, the world of PDF downloads is just a click away.
