Equal Hall of Fame running back Lenny Moore shares his entire story Moore recounts many fascinating life experiences beginning with his upbringing in a blue collar family of ten in Reading Pennsylvania He explores his standout yet challenging time in Happy Valley playing for an already legendary coach in Penn State s Rip Engle and one in training Joe Paterno He also delves into his professional football career with the Baltimore Colts that saw him reach new heights as the MVP of the NFL in 1964 Throughout his amateur and professional career Moore s toughest competitor was often racism which battled Moore tooth for tooth But as Moore would learn life would pose other significant battles once his spikes were hung up Other immortals who played with him like Johnny Unitas Gino Marchetti and Raymond Berry would easily transition into life after football Some became businessmen others carved a new career path as coaches or general managers but not Moore In great detail he describes his difficulties in shifting from having fame and notoriety to not being able to find employment in the town in which he was once celebrated But Moore eventually found his calling working with troubled Maryland juveniles and establishing the Leslie Moore Scholarship Foundation benefiting underprivileged youths Today he also works toward finding a cure for scleroderma after his son passed away from the disease in 2001 Ultimately All Things Being Equal is the touching journey of one man s self discovery that unfortunately all things are seldom equal
