Encyclopedia of American Journalism Stephen L. Vaughn, 2007-12-11 The Encyclopedia of American Journalism explores the distinctions found in print media radio television and the internet This work seeks to document the role of these different forms of journalism in the formation of America's understanding and reaction to political campaigns war peace protest slavery consumer rights civil rights immigration unionism feminism environmentalism globalization and more This work also explores the intersections between journalism and other phenomena in American Society such as law crime business and consumption The evolution of journalism's ethical standards is discussed as well as the important libel and defamation trials that have influenced journalistic practice its legal protection and legal responsibilities Topics covered include Associations and Organizations Historical Overview and Practice Individuals Journalism in American History Laws Acts and Legislation Print Broadcast Newsgroups and Corporations Technologies **Hearings Before and Special Reports Made by Committee on Armed Services of the House of Representatives on Subjects Affecting the Naval and Military Establishments**, 1966 **Evangelical Christians and Popular Culture** Robert H. Woods Jr., 2013-01-09 This three volume collection demonstrates the depth and breadth of evangelical Christians consumption critique and creation of popular

culture and how evangelical Christians are both influenced by and influence mainstream popular culture covering comic books to movies to social media Evangelical Christians and Popular Culture Pop Goes the Gospel addresses the full spectrum of evangelical media and popular culture offerings even delving into lesser known forms of evangelical popular culture such as comic books video games and theme parks The chapters in this 3 volume work are written by over 50 authors who specialize in fields as diverse as history theology music psychology journalism film and television studies advertising and public relations Volume 1 examines film radio and television and the Internet Volume 2 covers literature music popular art and merchandise and Volume 3 discusses public figures popular press places and events The work is intended for a scholarly audience but presents material in a student friendly accessible manner Evangelical insiders will receive a fresh look at the wide variety of evangelical popular culture offerings many of which will be unknown while non evangelical readers will benefit from a comprehensive introduction to the subject matter *Translation and Ideology* Sonia Cunico, Jeremy

Munday, 2016-04-08 Ideology has become increasingly central to work in translation studies To date however most studies have focused on literary and religious texts thus limiting wider understanding of how ideological clashes and encounters pervade any context where power inequalities are present This special edition of *The Translator* deliberately focuses on ideology in the translation of a rich variety of lesser studied genres namely academic writing cultural journals legal and scientific texts political interviews advertisements language policy and European Parliament discourse in all of which translation as a social practice can be seen to shape maintain and at times also resist and challenge the asymmetrical nature of exchanges between parties engaged in or subjected to hegemonic practices The volume opens with two ground breaking papers that investigate the nature and representation of truth and knowledge in the translation of the sciences followed by two contributions which approach the issue of shifts in the translation of ideology from the standpoint of critical linguistics and critical discourse analysis using data from political speeches and interviews and from English and Korean versions of Newsweek Other contributions discuss the role that translation scholars can play in raising public awareness of the manipulative devices used in advertising the way in which potentially competing institutional and individual ideologies are negotiated in the context of interpreting in the European Union the role translation plays in shaping the politics of a multilingual nation state with reference to Belgium and the extent to which the concepts of norms and polysystems may be productive in investigating the link between translation and ideology with reference to Chinese data **Pesticide**
