Smith, W. Brad Johnson, 2020-10-13 The key to advancing gender equality Men Women are at a disadvantage At home they often face an unequal division of household chores and childcare and in the workplace they deal with lower pay lack of credit for their contributions roadblocks to promotion sexual harassment and more And while organizations are looking to address these issues too many gender inclusion initiatives focus on how women themselves should respond reinforcing the perception that these are women's issues and that men often the most influential stakeholders in an organization don't need to be involved Gender in the workplace experts David G Smith and W Brad Johnson counter this perception In this important book they show that men have a crucial role to play in promoting gender equality at work Research shows that when men are deliberately engaged in gender inclusion programs 96 percent of women in those organizations perceive real progress in gender equality compared with only 30 percent of women in organizations without strong male engagement Good Guys is the first practical research based guide for how to be a male ally to women in the workplace Filled with firsthand accounts from both men and women and tips for getting started the book shows how men can partner with their female colleagues to advance women's leadership and equality by breaking ingrained gender stereotypes overcoming unconscious biases developing and supporting the talented women around them and creating productive and respectful working relationships with women Pretty, Never Saved Me No Pain Candice Payne- Dennie, 2010-07-16 This is the story of an attractive female who learned early in life that beauty is no protection from the sting of pain Her uphill battles consisted of tragedy loss abuse and drug addiction The story is told in candid detail and reflects all levels of emotion It is told from her perspective as one who knows the troubles life can bring and is also a revelation and acceptance of self which holds no bounds This book depicts the essence of beauty being only skin deep The ride is painful with hints of joy but the ultimate message is victory *Raging* Andra-Cristiana Stan, 2021-04-06 Billionaire romance curvy romance paranormal romance mafia romance Eric and Selena's story continue from where it ended but their love owns more trials The madness comedy love action suspense mystery and all you already know continue Burning fire in all its forms clashes love Could Eric be a cheater Would he do what Selena feared the most in her love life Or is it just a play from the dark side to break their love Selena is the center of war as never before Will she be able to overcome it People from the past resurface and throw in scandals and dangers against the couple Will they win in affecting the golden couple The battle between Angels and Demons dark love and pure love is an erupting volcano If you thought last books in the series were lunatic wait for this one It will blow your mind and you'll be on the edge Selena will have to make a choice to save the world But will that choice determine her to cross on the dark side and
