reach throughout the Caribbean archipelago which as Volume XIII confirms became the UNIA's de facto home in the early 1920s. The volume's numerous reports from the UNIA's Caribbean divisions and chapters describe what it was like for UNIA activists living and working under extremely repressive circumstances. The volume's major highlight covers the U.S. military's crackdown on the UNIA in the Dominican Republic as documented in the correspondence between John Sydney de Bourg whom Garvey had dispatched to monitor the situation and U.S. and British government officials. In addition to UNIA divisional reports and de Bourg's extensive correspondence, Volume XIII contains a wealth of newspaper articles, political tracts, official documents and other sources that outline the complex responses to Garveyism throughout the United States, the Caribbean and Europe, all the while documenting this watershed moment for Garvey and the UNIA.
