New International Encyclopedia of Bible Difficulties Gleason Leonard Archer, 2001-07-26 Dr Gleason Archer offers carefully thought out arguments for the unity and integrity of the Bible that should convince the skeptic and reassure the person who may be confused by the seeming discrepancies in Scripture Includes a full index **Encyclopedia of Bible Difficulties** Gleason Leonard Archer, 1982 This encyclopedia is intended for everyone from scholars and students to laypersons for all who are troubled by apparent contradictions in the Bible It argues for the unity and the integrity of the Bible and should convince the skeptic and reassure the person who may be confused by the seeming discrepancies in Scripture Encyclopedia of Bible Difficulties Gleason L. Archer (Jr.), 1982 This encyclopedia is intended for everyone from scholars and students to laymen for all who are troubled by apparent contradictions in the Bible It argues well for the unity and the integrity of the Bible and should therefore convince the skeptic and reassure the person who may be confused by the seeming discrepancies he discovers in scripture It is the author's purpose to uphold the inerrancy of the Bible and to uphold therefore also the authority of the Lord Jesus Christ for he held the Old Testament scripture to be infallible Jacket flap

Bible Difficulties William Arndt, 1981-01-01 *Difficulties In The Bible* R.A. Torrey, 1997-01-01 Torrey examines some of the difficulties surrounding the Bible and he explains how we should deal with them when they arise Each chapter focuses on a different passage of Scripture and provides an illuminating perspective on the biblical text Torrey will draw you into his exploration of the truth and the real facts of the Scriptures Bible Difficulties and Their Alleviative Interpretation Robert Stuart MacArthur, 2014-04-21 Examination and interpretation of difficult biblical topics *BIBLE DIFFICULTIES* Edward D. Andrews, 2020-02-08 THE BIBLE ERRORS MISTAKES INCONSISTENCIES CONTRADICTIONS Critics claim that the Bible is filled with so called errors mistakes inconsistencies and contradictions Some even speak of thousands of errors The truth is there is not even one demonstrated error in the original text of the Bible Of course we would never say that there are no difficulties in our Bibles The Bible is loaded with thousands of difficult challenging passages many of which become obstacles in the development of our faith These difficulties arise from differences in culture language religious and political organizations not to mention between 2 000 to 3 500 years of separation between the Bible author and the modern day reader Calling attention to these difficulties and sifting out the misconceptions Andrews defends the full or absolute inerrancy of Scripture He clarifies the so called errors or mistakes and what might seem like apparent contradictions He arms the Christian with what they need to defend their faith in the Bible Honestly whenever Christians find difficulty in the Bible acknowledge it Do not try to obscure it Do not try to dodge it The best way to deal with Bible critics and the Bible Difficulties is to understand all the ways that Bible Difficulties can come about And then have dozens of Bible difficulties answered as examples Herein is the defense of God's Word that Christians have been waiting for Difficulties in the Bible Reuben Archer Torrey, 1967 **Bible Difficulties and Seeming Contradictions**, 1932 **Making Sense of Bible**

Andrews, 2016-09-20 **Bible Difficulties** Robert Stuart MacArthur, 1899 [Bible Difficulties and Their](#) Robert Stuart MacArthur, 2015-09-27 Excerpt from Bible Difficulties and Their Alleviative Interpretation During the past few months the substance of the chapters comprising this volume was delivered in addresses on consecutive Sunday evenings in the regular course of the author's ministry in the Calvary Baptist Church He has long felt that most of the difficulties generally supposed to be in the Bible are not really in the Bible but are in the human interpretation of the Bible rather than in the divine revelation itself It is vastly important to separate between erroneous biblical exposition and the actual truth of divine revelation The newer scholarship it will readily be admitted has disturbed the faith of some Bible students but it is absolutely certain that it has given the Bible a fresh interest and an increased value It is not necessary to accept all the conclusions of the so called Higher Critics indeed these conclusions are often at variance with one another and more careful criticism will entirely refute some of the positions taken But we can readily see that the later criticism has done much to disabuse the minds of some readers of their traditional interpretations and authoritative preconceptions of Holy Scripture and as a result the Bible was never so new and so attractive a library as it is at this hour About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
