New Rochelle Postcard History:

New Rochelle Barbara Davis, 2012 Beginning with its settlement by refugees seeking religious freedom to its present standing as a diverse and vibrant city New Rochelle's 325 year old story reflects many great American trends and social movements From a small town of farms to one of New York's leading suburbs by the turn of the 20th century New Rochelle was a fashionable spot from which to drop a note The Golden Age of Postcards arrived at an ideal time for the rapidly growing community which boasted an array of winning characteristics including 12 meandering miles of Long Island Sound shoreline attractive neighborhoods styled as residential parks an up and coming downtown and many impressive structures In New Rochelle vintage postcards from the New Rochelle Public Library's local history collection provide a wonderful glimpse into the years New Rochelle's core identity took shape A Postcard History of the Passenger Liner Christopher Deakes, 2023-10-01 From around 1880 for almost a hundred years shipowners commissioned a wealth of paintings that depicted their magnificent liners as well as the routes they travelled their exotic destinations and life onboard These paintings rich in imagination and atmosphere appeared on postcards and posters of the day and were used to advertise the companies and their ships and so was born a whole genre that produced tens of thousands of paintings which formed a wonderful record of the great era of the passenger liner In 1900 there were over thirty shipping companies operating passenger liners across the North Atlantic Other oceans were similarly served But now with just a few exceptions the companies and their liners have disappeared along with the art they once inspired Little remains to recall this aspect of our maritime past except the postcards and they tell an evocative story of the vanished world of elegant ships and leisurely travel of social and political times much changed by the history of the past century Here brought vividly to life in more than 500 colourful postcards are the ships on which so many of our predecessors sailed as emigrants soldiers administrators or simply as tourists in days long past These cards which are now highly collectable show how steamships developed over the years but they are also a fine tribute to the artists who painted them This volume also includes a glossary of some 170 illustrators which forms an important reference section and advice on collecting **The Birth of Cool** Carol Tulloch, 2016-01-28 It is broadly recognized that black style had a clear and profound influence on the history of dress in the twentieth century with black culture and fashion having long been defined as cool Yet despite this high profile in depth explorations of the culture and history of style and dress in the African diaspora are a relatively recent area of enquiry The Birth of Cool asserts that cool is seen as an arbiter of presence and relates how both iconic and ordinary black individuals and groups have marked out their lives through the styling of their bodies Focusing on counter and sub cultural contexts this book investigates the role of dress in the creation and assertion of black identity From the gardenia corsage worn by Billie Holiday to the work wear of female African Jamaican market traders through to the home dressmaking of black Britons in the 1960s and the meaning of a polo neck jumper as depicted in a 1934 self portrait by African American artist Malvin Gray Johnson this study looks at the

ways in which the diaspora experience is expressed through self image Spanning the late nineteenth century to the modern day the book draws on ready made and homemade fashion photographs paintings and films published and unpublished biographies and letters from Britain Jamaica South Africa and the United States to consider how personal style statements reflect issues of racial and cultural difference The Birth of Cool is a powerful exploration of how style and dress both initiate and confirm change and the ways in which they expresses identity and resistance in black culture **Catalog of Copyright Entries. Part 1. [C] Group 3. Dramatic Composition and Motion Pictures. New Series** Library of Congress. Copyright Office,1941 Long Island's Military History Glen Williford,Leo Polaski,2004 Long Island s location and terrain gave it a significant role in defending the United States for over two hundred years Forming the eastern shore of New York City s harbor Long Island provided sites for seaward defense while its flat grassy plain was an ideal location for airfields Many fortifications encampments and defense factories were built on Long Island Long Island s Military History with more than two hundred vintage photographs traces this unique history beginning with the battle of Long Island in 1776 and continuing through the cold war into the 1980s This fascinating visual history tells of places such as Roosevelt Field and Plum Island whose military uses have been forgotten Camp Wikoff and Hazelhurst Field short lived military sites and Grumman and Republic names once associated only with combat aircraft *Domestic United States Military Facilities of the First World War 1917-1919* Robert Swanson,2000-02 This book attempts to list every place in the United States and Territories where soldiers sailors or marines might have been stationed during the First World War The reason for such a list is to provide source locations and checklists for postal history letters and cards from these military men The book lists all fixed land based United States military camps and facilities that operated during the War period There has long been a need for such a listing as it was not known where military mail could have originated within the US **The Hudson-Fulton Celebration** Kathleen Eagen Johnson,2009 An invaluable window on how New York self consciously and very publicly transformed itself from a city that was merely the largest to an undisputed world class metropolis A rich historical record of newspapers manuscripts artifacts photographs and graphics offers a new lens to examine identity industry and environment Kenneth T Jackson from the Foreword For two weeks in the fall of 1909 New York City threw itself the biggest party it had ever seen attracting millions of people to a sprawling festival 150 miles long from Brooklyn up the Hudson River to Albany This extraordinary event the Hudson Fulton Celebration was officially meant to commemorate the 300th anniversary of Henry Hudson s discovery of the river bearing his name and the centennial of Robert Fulton s first successful run of his steamship Clermont But in an era of grand world s fairs the Celebration was really created to showcase New York s coming of age as a world metropolis On city sidewalks and along the river millions enjoyed a nonstop circus of fireworks concerts museum exhibitions children s festivals and military and naval parades each designed to link past glories to present challenges and future progress And to show the world that its biggest city worked For city leaders the Celebration was to be a gaudy catalyst for

change technological commercial cultural and political There were great flotillas of the world's navies New glittering electric lights illuminated bridges and skyscrapers Jawdropping flyovers by Wilbur Wright and Glenn Curtiss introduced New Yorkers to the airplane The Queensboro Bridge had just been built as had new subway lines Thousands of children in ethnic costumes marched to celebrate the new American melting pot No one had seen anything like it This fascinating book commemorates that commemoration With a rich selection of full color images photographs graphics memorabilia paintings and much more it tells the story of what those two weeks meant to four million New Yorkers and one million out of town guests Johnson brings back a city feverishly at work and play from the grand schemes of the planners to the way the Celebration put the city and its people on a world stage

My Ancestors Horst H. Geerken, 2025-07-08 Letters diaries and documents from many centuries in the past provided the details for this enthralling read but it is no ordinary collection of dry as dust facts It is a chronicle stretching back into the Middle Ages the history of a fascinating influential and many branched family with exciting life stories to relate The authors grandfather was the artist Johann Hinrich Geerken and his aunt was housekeeper to Albert Einstein This richly illustrated volume tells the tales of farmers and inventors artists and artisans but also of courageous women who had to see their families through difficult times alone Among the ancestors described are the famous master tower clock maker Johann Michael Mannhardt whose clocks continue to tell the correct time and Wilhelm Emmanuel Johann Mannhardt an academic and Mennonite whose works are still published today The book takes us to Meiji period Japan where Carl August Schenk the scientist taught at the University of Tokyo and is still honoured as the father of Japanese mineralogy to Indonesia where the author lived and worked for many years and on to Australia America and Greece where many of the family live today Many interesting historical anecdotes and illustrations make the book well worth reading not just for the family It is a document of modern and contemporary history

AHA Perspectives, 2000 *Catalog of Catalogs: A Bibliography of Temporary Exhibition Catalogs Since 1876 that Contain Items of Judaica* William Gross, Orly Tzion, Falk Wiesemann, 2019-09-16 Catalog of Catalogs provides a comprehensive index of nearly 2 300 publications documenting the exhibition of Judaica over the past 140 years This vast corpus of material ranging from simple leaflets to scholarly catalogs contains textual and visual material as yet unmined for the study of Jewish art religion culture and history Through highly detailed fully indexed catalog entries William Gross Orly Tzion and Falk Wiesemann elucidate some 2 000 subjects geographical locations and Judaica objects ceremonial objects illuminated manuscripts printed books synagogues cemeteries et al addressed in these catalogs Descriptions of the catalog's bibliographic components contributors exhibition history and contents all accessible through the volume's five indices render this volume an unparalleled new resource for the study of Jewish Art culture and history

Weekly Philatelic Gossip, 1929 *Garden Magazine and Home Builder*, 1915
Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Wherein the Copyright Has Been Completed by the Deposit of Two Copies in the Office Library

of Congress. Copyright Office,1977 **PT 105** James K. Keresey,2013-08-15 Admittedly small and vulnerable PT boats were nevertheless fast the fastest craft on the water during World War II and Dick Keresey s account of these tough little fighters throws new light on their contributions to the war effort As captain of PT 105 the author was in the same battle as John F Kennedy when Kennedy s PT 109 was rammed and sunk The famous incident Keresey says has often been described inaccurately and the PT boat depicted as unreliable and ineffective This book helps set the record straight by presenting an authentic picture of PT boats that draws on the author s experience at Guadalcanal New Georgia Bougainville and Choiseul Island Action filled his account describes evading night bombers rescuing coast watchers and downed airmen setting down Marine scouts behind Japanese lines engaging in vicious gun battles with Japanese barges and small freighters and contending with heat disease and loneliness First published in 1996 the book has been hailed for telling an exciting yet fully accurate story Energy in American History Jeffrey B. Webb,Christopher R. Fee,2024 Contextualizes and analyzes the key energy transitions in U S history and the central importance of energy production and consumption on the American environment and in American culture and politics More Five Minute Writing Margret Geraghty,2013-06-20 This follow up book to Margret Geraghty s bestselling The Five Minute Writer contains 50 more inspirational exercises to inspire you to write even if you have only five minutes a day to spare Margret also includes a new feature snippet triggers which she has designed in order to show readers how they can develop quirky little anecdotes they find in newspapers and regional broadcasts Each short section offers you a thought provoking discussion followed by a five minute exercise These daily warm up exercises can be taken at random and will help you to Develop a reliable and enjoyable writing routine Break through the dreaded writing block Open your mind step out of your comfort zone and set free your creative thought Access your inner self and the personal memories that provide an inexhaustible source of story ideas Develop whole brain techniques for stepping outside the box **New York Star** ,1923 **The Garden Magazine** ,1915 *Downstate New York Rock Walks* C. Russell Dunn,2023-11-01 Downstate New York Rock Walks is both a hiking guidebook and a history book calling attention to some of downstate New York s most spectacular and historic rocks balanced rocks perched rocks rock shelters talus caves glacial potholes split rocks rock profiles historic rocks and massive larger than life boulders Many large glacial erratics have a history going back thousands of years to when they were moved to their present location by advancing glaciers Many served as points of navigational reference at a time when the landscape was featureless and heavily forested and still others were ceremonial sites for Native Americans Rock shelters and talus caves have also been used for thousands of years by Native Americans and Europeans seeking refuge from the elements It is important that these amazing natural wonders of stone be remembered and recorded before they are lost to collective memory or destroyed by the encroachment of civilization Providing precise GPS location information along with length and degree of difficulty for each hike Downstate New York Rock Walks will appeal to casual hikers serious rock explorers historians geologists and anyone wishing to explore

some of nature s greatest wonders within the reach of the lower Hudson River valley
Tyler Miller,1916
