Paraphrases on Romans and Galatians Desiderius Erasmus,1984 *Collected Works of Erasmus* Desiderius Erasmus,1984-04-01 Erasmus yearned to popularize the New Testament to make the Bible and the understanding of Scripture available to everyone to the farmer the tailor the mason prostitutes pimps and Turks in his words He therefore composed paraphrases in order to simplify and explain Scripture The Paraphrases were successful beyond his expectations and were quickly translated into French German English and other languages In them the words of the Apostle Paul provide the core of a text which is expanded to clarify Paul s argument revealing its assumptions suggesting its implications and setting its parts more clearly in relation to each other In this respect it is like a commentary But the Paraphrases are much more than commentary They seek not only to clarify but also to enliven They bring the reader to a direct confrontation with the Apostle himself by presenting the whole both core words and expansion under the persona of Paul vividly portraying the Apostle s reactions to the situation to which he was responding in this letters Erasmus takes the images and analogies through which Paul argues his case for justification through faith and expands them into colorful and dramatic vignettes of the inner spiritual struggle and victory of everyman Volume 42 of the Collected Works of Erasmus series *Collected Works of Erasmus* Érasme,1994 [Collected Works of Erasmus](#) Desiderius Erasmus,2016-04-06 Erasmus yearned to make the New Testament an effective instrument of reform in society church and everyday life and to this end he composed the Paraphrases in which the words of Holy Scripture provide the core of a text that was vastly expanded to embrace the reforming philosophy of Christ Paraphrase on Luke 1 10 contains the first half of Erasmus s Paraphrase on Luke the second half of which appeared in this series in 2003 and completes the set of translations of the Paraphrases into English In his Paraphrase on Luke Erasmus expands on the original Gospel of Luke in the voice of its original author The narrative is supplemented by Erasmus explications of the text s moral theological and allegorical meanings and its psychological historical and geographical context In addition to a fluid and idiomatic translation Paraphrase on Luke 1 10 includes extensive annotations for the general or scholarly reader making this a valuable and accessible resource for the study of both Erasmus and the New Testament Volume 47 of the Collected Works of Erasmus series *Two Sixteenth-Century Premonstratensian Treatises on Religious Life* Jacob Panhausen,2021-03-15 Jacob Panhausen stands as a major but little studied figure in the renewal of the Premonstratensian Order during the crucial decades of the sixteenth century when the very survival of religious life hung in the balance His career 1540 1582 as abbot of Steinfeld in Germany spanned the whole era of the Council of Trent and its aftermath and he died the same year that Saint Norbert was officially canonized This volume presents the first English

Rhetorical Criticism of the New Testament Carl Joachim Classen, 2021-11-22 Please note that this title is only available to customers in the USA Canada and Mexico NO salesrights for Rest of World In view of the current debate on the application of Greek and Roman rhetoric to biblical texts C Joachim Classen aims at determining both the opportunities and the limits of such forms of criticism stressing the importance of supplementing the ancient categories with modern categories He emphasizes the difference between letters such as Paul s epistles and other kinds of texts for example the gospels and the need to select the aspects and criteria of rhetorical criticism accordingly and tries to illustrate how such criticism may be practiced In addition he answers the question to what extent Paul was familiar with Greek rhetoric by an examination of his vocabulary Classen analyzes at length Melancthon s early lectures his handbooks and his commentaries to show some of the roots of this type of criticism the manner in which its greatest exponent developed it and the qualities ideally required for its successful application

Erasmus and Philosophy. On the Concept of Philosophy Developed by Erasmus of Rotterdam Juliusz Domański, 2024-07-29 Erasmus of Rotterdam is not typically associated with the discipline of philosophy Yet he would himself employ the category of philosophia Christi in the sense of authentic Christianity which had not been contaminated by the abstractness and pedanticism of paganized mediaeval scholasticism Does this reveal a contrarian attitude to philosophy in general or rather a special understanding of what a true philosophy as a way of life should be This study attempts to answer this question by assembling and closely studying from Erasmus extensive oeuvre his scant and occasional remarks on the concept of philosophy

New Testament Scholarship: Paraphrases on Romans and Galatians Desiderius Erasmus, 1984

The Unfolding of Words Judith Rice Henderson, 2012-12-07

Leading sixteenth century scholars such as Martin Luther and Desiderius Erasmus used print technology to engage in dialogue and debate with authoritative contemporary texts By what Juan Luis Vives termed the unfolding of words these humanists gave old works new meanings in brief notes and extensive commentaries full paraphrases or translations This critique challenged the Middle Ages deference to authors and authorship and resulted in some of the most original thought and most violent controversy of the Renaissance and Reformation The Unfolding of Words brings together international scholarship to explore crucial changes in writers interactions with religious and classical texts This collection focuses particularly on commentaries by Erasmus contextualizing his Annotations and Paraphrases on the New Testament against broader currents and works by such contemporaries as Francois Rabelais and Jodocus Badius The Unfolding of Words tracks humanist explorations of the possibilities of the page that led to the modern dictionary encyclopedia and scholarly edition

Annotations on Galatians and Ephesians Desiderius Erasmus, 2017-01-01

Volume 58 in the Collected Works of Erasmus series contains for the first time the English translation of Erasmus Annotations on Paul's Epistles to the Galatians and Ephesians Erasmus Annotations began as marginal comments in his own copy of the New Testament and were subsequently published in 1516 as a supplement to the Novum Instrumentum His annotations were intended to justify his changes based on the Greek text In each successive edition published between 1516 and 1535 the Annotations grew in size and scope providing Erasmus with the opportunity to defend his translations in the face of growing criticism from orthodox Catholic theologians This volume notes the editorial changes made in the five editions and also provides the reader with information about the patristic medieval and contemporary sources consulted by Erasmus and about the evolving relations with contemporary critics The Annotations played a pivotal role in the development of sixteenth century biblical exegesis and mark a significant stage in the evolution of humanist biblical scholarship

The Gospel of John in the Sixteenth Century Craig Steven Farmer, 1997

This book will be important to Reformation scholars especially in the English speaking world who have long needed an introduction to this little studied figure Historians of exegesis and New Testament scholars will also benefit from Farmer's penetrating analysis of the pre clinical exegetical tradition on the Johannine signs
