 Caviness,2021-11-25 This book is designed to not only prepare you for successfully passing the New York State Real Estate
 Licensing Examination but to also prepare you for a successful real estate career This book is divided into three parts The
 first part of this book provides the knowledge necessary for you to obtain a license to pursue the real estate profession The
 second part covers the application of that knowledge which can serve as a precursor for achieving success in real estate The
 third parts focuses on identifying the specific niche to which that knowledge would be applied This section will concentrate
 on the development of steps and systems to apply the knowledge including effective operations during a period of a health
 crisis It is with these three basic concepts that I write this book in hopes that you too can achieve the successes that have
