IMAGES OF WILDNESS

New Jersey Images Of Wildness

Barbara Fusco

New Jersey Images Of Wildness:

New Jersey Tom Till, 1991 A state often misrepresented as entirely developed New Jersey Images of Wildness proves what New Jersey natives have long known that it contains some of the eastern seaboard's most spectacular scenery From tidal waves on the Atlantic to fresh snow on the Hudson Palisades you are witness to pockets of nature you never imagined might exist 92 full color photographs

Wild New Jersey David Wheeler, 2011 Wild New Jersey brings the reader on a real life safari through the Garden State's wildlife and natural wonders Tom Gilmore President New Jersey Audubon Society

New Jersey Outdoors, 2000

The Maps of the Wilderness Bradley Gottfried, 2016-03-14 The Maps of the Wilderness An Atlas of the Wilderness Campaign May 27 1864 continues Bradley M Gottfried's efforts to study and illustrate the major campaigns of the Civil War's Eastern Theater This is his fifth book in the ongoing Savas Beatie Military Atlas Series The previous four were The Maps of Gettysburg 2007 The Maps of First Bull Run 2009 The Maps of Antietam 2012 and The Maps of the Bristoe Station and Mine Run Campaigns 2013 This latest magisterial work breaks down the entire campaign and all related operational maneuvers into 24 map sets or action sections enriched with 120 original full page color maps These spectacular cartographic creations bore down to the regimental and battery level The Maps of the Wilderness includes an assessment of the winter of 1863 1864 the planning for the campaign the crossing of the Rapidan River and two days of bloody combat and the day of watchful stalemate thereafter At least one and as many as eight maps accompany each action section Opposite each map is a full facing page of detailed footnoted text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the story of the first large scale combat of 1864 come alive Each cartographic snapshot also serves to unlock everything ever written on the subject This detailed coverage also includes an order of battle interview with the author bibliography and an index This original presentation leads readers on a journey through the epic battle that would prove to be the opening salvo in a prolonged fight that would not end until the Confederates surrendered at Appomattox in April 1865 The Wilderness Campaign has two unique characteristics First although he did not command the Army of the Potomac the battle was Ulysses S Grant's first against General Robert E Lee Second the Wilderness fighting prolonged bloody and inconclusive is widely viewed as the most confusing action of the entire war The dense thickets and deep smoke obscured much of what occurred during the two days of combat Gottfried's book cuts through the confusion to deliver a clear account of the horrendous struggle Perfect for the easy chair or for walking hallowed ground The Maps of the Wilderness is a seminal work that like his earlier studies belongs on the bookshelf of every serious and casual student of the Civil War or in the hands of an avid enthusiast out walking the Hallowed Ground

The American Wilderness Thomas R. Vale, 2005 Interpretations of wild nature and wilderness are particularly diverse in the American mind given our history our collective economic success and our diverse social and cultural mix Although the meanings we attribute to nature reflect our different views of the role humans should play in the

natural world there remains a divide between how we embrace protected landscapes and how we consider natural landscapes or nature itself Thomas Vale explores this phenomenon in *The American Wilderness Reflections on Nature Protection in the United States* In his examination of protected landscapes at all scales from the wooded corners of a city park and the local reserve of wetland to the vast wilderness of the Everglades and Okefenokee to Central Park and Yosemite Vale argues that nature protection is an act of place creation an act that necessarily links humans to nature and depends on a diverse array of human interactions A rare combination of celebration and criticism Vale's argument is twofold landscapes of protected nature in the United States represent a legitimate natural resource and contrary to expressions in some recent literature such landscapes bond people to nature Providing extensive historical and modern data about the national park national wilderness and national wildlife refuge systems Vale argues for the validity of landscape protection and the benefits of achieving both strict preserves and mixed commodity places in a democratic society His goal is to unite the often disparate threads of nature protection into a fabric that will enhance an appreciation for the extent and richness of nature protection sentiment and action in the United States

The Promise of Wilderness James Morton Turner, 2012-08-01 From Denali's majestic slopes to the Great Swamp of central New Jersey protected wilderness areas make up nearly twenty percent of the parks forests wildlife refuges and other public lands that cover a full fourth of the nation's territory But wilderness is not only a place It is also one of the most powerful and troublesome ideas in American environmental thought representing everything from sublime beauty and patriotic inspiration to a countercultural ideal and an overextension of government authority *The Promise of Wilderness* examines how the idea of wilderness has shaped the management of public lands since the passage of the Wilderness Act in 1964 Wilderness preservation has engaged diverse groups of citizens from hunters and ranchers to wildlife enthusiasts and hikers as political advocates who have leveraged the resources of local and national groups toward a common goal Turner demonstrates how these efforts have contributed to major shifts in modern American environmental politics which have emerged not just in reaction to a new generation of environmental concerns such as environmental justice and climate change but also in response to changed debates over old conservation issues such as public lands management He also shows how battles over wilderness protection have influenced American politics more broadly fueling disputes over the proper role of government individual rights and the interests of rural communities giving rise to radical environmentalism and playing an important role in the resurgence of the conservative movement especially in the American West Watch the book trailer <https://www.youtube.com/watch?v=JsQ6LAeYKk>

Wild Visions Ben A Minteer, Mark Klett, Stephen J. Pyne, 2022-11-22 A stunning combination of landscape photography and thematic essays exploring how the concept of wilderness has evolved over time Our ideas of wilderness have evolved dramatically over the past one hundred and fifty years from a view of wild country as an inviolable place apart to one that exists only within the matrix of human activity This shift in understanding has provoked complicated questions about the importance of the wild in American

environmentalism as well as new aesthetic expectations as we reframe the wilderness as to some degree a human creation Wild Visions is distinctive in its union of landscape photography and environmental thought a merging of short thematic essays with a striking visual narrative Often the wild is viewed in binary terms either revered as sacred and ecologically pure or dismissed as spoiled by human activities This book portrays wilderness instead as an evolving gamut of understandings a collage of views and ideas that is still in process *Exploring the Northeast States Through Literature* P. Diane

Frey,1994-11-08 Describes print and non print materials for use in studying the northeastern states in grades K 8

Arcadian Waters and Wanton Seas Arne Neset,2009 The nineteenth century was the great age of landscape painting in Europe and America In an era of rapid industrialization and transformation of landscape pictures of natural scenes were what people wanted most to display in their homes The most popular and marketable pictures often degenerating into kitsch showed a wilderness with a pond or a lake in which obtrusive signs of industry and civilization had been edited out Inspired by Romantic ideas of the uniqueness of the nation pictorial and literary art was supposed to portray the soul of the nation and the spirit of place a view commonly adopted by cultural and art historians on both sides of the Atlantic Arcadian Waters and Wanton Seas argues that nationalistic or exceptionalist interpretations disregard deep rooted iconological traditions in transatlantic culture Depictions and ideas of nature go back to the classical ideas of Arcadia and Eden in which fountains ponds lakes rivers and finally the sea itself are central elements Following their European colleagues American artists typically portrayed the American Arcadia through the classical conventions Arcadian Waters and Wanton Seas adopts the interdisciplinary and comparative methodological perspectives that characterize American studies The book draws on art history cultural history literature and the study of the production and use of visual images and will serve well as a textbook for courses on American studies or cultural history of the Western world Billionaire Wilderness Justin Farrell,2021-03-02

Offers an unprecedented look inside the world of the ultra wealthy and their relationship to the natural world showing how the ultra rich use nature to resolve key predicaments in their lives Justin Farrell immerses himself in Teton County Wyoming to investigate interconnected questions about money nature and community in the twenty first century Farrell draws on three years of in depth interviews with ordinary millionaires and the world s wealthiest billionaires four years of in person observation in the community and original quantitative data to provide analytical insight on the ultra wealthy He also interviewed low income workers who could speak to their experiences as employees for and members of the community with these wealthy people **Wilderness Medicine E-Book** Paul S. Congress. Senate. Committee on Interior and Insular Affairs. Subcommittee on Public Lands,1974 *Wilderness by Design* Ethan Carr,1999-01-01 Carr delves into the planning and motivations of the people who wanted to preserve America s scenic geography He demonstrates that by drawing on historical antecedents landscape architects and planners carefully crafted each addition to maintain maximum picturesque wonder Tracing the history of landscape park design from British gardens up through the city park designs of Frederick Law Olmsted Carr places national park landscape architecture within a larger historical context **The Wilderness Act** United States. Congress. Senate. Committee on Interior and Insular Affairs,1961

Considers S 174 to establish a National Wilderness Preservation System **Sacred Wilderness** Susan Power,2014-02-01 A Clan Mother story for the twenty first century Sacred Wilderness explores the lives of four women of different eras and backgrounds who come together to restore foundation to a mixed up mixed blood woman a woman who had been living the American dream and found it a great maw of emptiness These Clan Mothers may be wisdom keepers but they are anything but stern and aloof they are women of joy and grief risking their hearts and sometimes their lives for those they love The novel swirls through time from present day Minnesota to the Mohawk territory of the 1620s to the ancient biblical world brought to life by an indigenous woman who would come to be known as the Virgin Mary The Clan Mothers reveal secrets the insights of prophecy and stories that are by turns comic so painful they can break your heart and perhaps even powerful enough to save the world In lyrical lushly imagined prose Sacred Wilderness is a novel of unprecedented necessity A

Voice in the Wilderness Keisha Salmon,2022-08-01 A spiritual mind and discernment are not things you can learn overnight It takes many years to practice faith and prayer to develop your spiritual eyes and to mature a heart that will allow you to love as God loves The beginning of that journey starts with you feeding your mind with the right spiritual food the living Word of God This book is my testimony It is a true account of what the Lord has brought me through and how He anointed me prepared me and used me as His tool to touch and guide the lives of those around me We all have a calling on our lives a divine purpose in which we were all created for God I was blessed enough to discover early on what my calling is My goal

now is to help others find theirs as well This book is the chronicle of how that blessing got me through How it not only changed my life but also my entire identity A new commandment I give unto you that ye love one another as I have loved you John 13 34

The Word in the Wilderness Alexander Lawrence Ames, 2020-06-29 Once a vibrant part of religious life for many Pennsylvania Germans in the eighteenth and nineteenth centuries Fraktur manuscripts today are primarily studied for their decorative qualities The Word in the Wilderness takes a different view probing these documents for what they tell us about the lived religious experiences of the Protestant communities that made and used them and opening avenues for reinterpretation of this well known if little understood set of cultural artifacts The resplendent illuminated religious manuscripts commonly known as Fraktur have captivated collectors and scholars for generations Yet fundamental questions about their cultural origins purpose and historical significance remain Alexander Lawrence Ames addresses these by placing Fraktur manuscripts within a Pietist paradigm grounded in an understanding of how their makers viewed the Word or scripture His analysis combines a sweeping overview of Protestant Christian religious movements in Europe and early America with close analysis of key Pennsylvania devotional manuscripts revealing novel insights into the religious utility of calligraphy manuscript illumination and devotional reading as Protestant spiritual enterprises Situating the manuscripts in the context of transatlantic religious history early American spirituality material culture studies and the history of book and manuscript production Ames challenges long held approaches to Pennsylvania German studies and urges scholars to engage with these texts and with their makers and users on their own terms Featuring dozens of illustrations this lively engaging book will appeal to Fraktur scholars and enthusiasts historians of early America and anyone interested in the material culture and spiritual practices of the German speaking residents of Pennsylvania

The Real Wild West Michael Wallis, 2000-07-17 Chronicles the history of the 101 Ranch and discusses how the ranch s traveling show embodied the spirit of the American frontier

Widow's Walk: Wandering in the Wilderness of Grief Barbara Fusco, 2017-05-18 Your husband has to be rushed to OR He needs to have a chest tube put in to drain pleural fluid Every one we ve seen like this is malignant Don t you have family in New Jersey We think you d better go back there Thus begins the first step of the wanderings from diagnosis through death and followed by the first two years of widowhood Grief is multiplied Within several weeks her family of eight daughters sons in law grandchildren and beloved twelve year old cat had shrunk to two Based on daily journal entries this is a present tense transparent honest journey of a woman s psychological and theological search for meaning wholeness and healing The journal ritual connects her to God and becomes her friend counselor and gateway to self awareness as she explores the subconscious in meditation prayer and dreamwork In addition to love of God and family love of Chincoteague Island permeates the story Water sky birds in abundance are messengers of healing which inspire feelings of joy and gratitude in the midst of tears This is a story of hope It leads the reader on a journey through a wilderness of pain confusion and feelings of betrayal to a place of confidence revealing that there is life after death death of a beloved or death

of a dream The grace power and love of God is confidently asserted to be more than sufficient to bring us to experience along with Julian of Norwich that all is well and all manner of things shall be well
