**Tales of the Mind** David N. Rodriguez, 2010-03-30 The book is mainly about how to overcome certain things you face as life goes on and how to help others For example depression a lot of people get lost in their minds because of depression All those bad thoughts and feelings rush into their head for a split second then a negative reaction always occurs Then there are individuals who are misunderstood for the good things that they have done So they turn bad because they want to be respected They basically give up their ways to be accepted But the book can help encourage them to not give up And there are those who just need guidance in their life Well the book tells them to ask the Lord for wisdom and to ask him for forgiveness

*A World of Sounds* Pasquale De Marco, *A World of Sounds* is a delightful journey through the world of sounds both big and small familiar

and strange From the gentle chirping of birds to the roar of a thunderstorm every sound tells a story In this book young readers will explore the sounds of nature the city and everything in between They will listen to the whisper of the wind in the trees the crash of the waves against the shore and the honking of horns in the city streets They will even travel to outer space where the stars twinkle and the planets hum Along the way they will learn about the different ways that sounds can make us feel Sounds can make us happy sad scared or angry They can remind us of our past or transport us to a different place They can even teach us new things about the world around us A World of Sounds is a celebration of the beauty and diversity of sound It is a book that will inspire young readers to listen more closely to the world around them and to appreciate the stories that sounds tell This book is perfect for Children ages 2 5 Parents and caregivers who want to teach their children about the world of sounds Teachers who want to use a fun and engaging way to teach children about sound A World of Sounds is a book that will delight and entertain young readers while also teaching them important lessons about the world around them If you like this book write a review **Fireflies** Christina Leaf,2017-08-01 Fireflies are among nature s tiniest luminaries They are special in their ability to light up and blink at one another Though they do not live for more than a couple months they sure shine bright while alive This title casts fireflies in a beautiful light for beginning readers
